FOOT BALL

Dr W H Green, of Princeton, New Jersey, says that foot ball as played by College teams is brutal.

Clear invigorating afternoons—Moonlight and starlight from evening till dawn—

Hence demand for warm sensible clothing increases. Some new lots received this week—just from the makers.

Some say trade's quiet, not that people don't need, but they can't afford to buy at high prices.

Just rearranged. More than 12 long counters piled high, all assorted, over 150 styles of goods, colors and shapes.

Warning—I, the undersigned, warn everybody to not give any credit on my name unless it is, for I will not be responsible.

ALBANY OPERA HOUSE. Tuesday, Nov. 28th, 18th annual tour. Direct from the Alvin Theatre, Pittsburg, Pa.

CHARLES L. DAVIS, "UNCLE ALVIN," in the funniest of all plays. Alvin Joslin. 3 hours of solid fun; a great company; 180 laughs in 180 minutes.

Prices vary, to say nothing of men's tail suits from \$3.00 to \$5.00.

Old slow poky stuff. Mean shoddy stuff. Colors that won't last.

What kind of a suit for \$12? Close to 300 suits to pick from—goods, come imported—some Eastern—some Albany and Brownsville.

Comparisons are— Well, you know what. That's why stocks that are old and out of style, culled and high in price suffer when compared with our bright new watty goods.

Short talks for pant buyers. 1000 odd pairs, one-tenth as many patterns, \$1.50 is cheap enough for a good pair—then short jumps to better and best.

Warm Wooley Worsted. Choice Cheviots. Mince Colored Meltons. Dressy Clay Worsted.

They are worth more than is asked, but they must go. Too little time to tell what we have for the old and young.
