It Pays.—It pays to take and read the papers, especially your own home daily. Often in this way good business opportunities are brought to your attention. For instance, if you wish to secure a good paying situation, then you had better look up the advertisement of B F Johnson & Co., Richmond, Va., in another column; perhaps what they have to say may interest you.

No SHRINKING.—Bring on your fine winter underwear. We guarantee not to injure them, as we take great care to wash them in soft water. Gentlemen starched work a specialty. The white laundries of Albany are getting the Chinese covered. Give us your work and they will soon leave. CRY LAUNDRY, Mrs C SIMPSON, proprietor.

Regeneration.—To secure a normal and regular tissue change throughout the body use Brandreth's Pills. This tissue metamorphosis consists of constantly proceeding waste of tissue and its regeneration. Brandreth's Pills are the best solvent of the products of disintegration of the tissues and increase their elasticity. They are an alterative and climatic remedy, which allay irritation and remove obstruction by aiding nature and are of great benefit in cases of temporary and habitual constipation, torpid liver, biliousness, headache, indigestion, rheumatism and diseases arising from an impure state of the blood. Brandreth's Pills are purely vegetable, absolutely harmless, and are safe to take at any time.

## TELEGRAPHIC NEWS.

### A Peculiar Proceeding.

SPokane, Dec 6.—A meeting of leading citizens was held today to deal with an abuse unique in journalism. For three years special correspondents here have been manufacturing all sorts of sensations and telegraphing reports to many Eastern papers. Their audacity in this matter has enabled them to earn large profits, and these profits have stimulated them to still more audacious schemes. It is now proposed to stop this work by appeal to the courts. An effort will be made to get at the records of the telegraph offices by a judicial order, the intention being then to bring criminal proceedings for libel against two correspondents known to be responsible for the special service.

### Work of a Trail

New York, Dec 6.—The Herald has the following: The Brazilian ocean liner American, which sailed from New York for Rio de Janeiro on the night of November 26, is lying at Bridge-town, Barbadoes, so seriously disabled by the act of an unknown traitor among her crew that she will probably be unable to continue her voyage for several weeks. A cable message was received by Flint & Co., announcing that one of the vessel's valves had been purposely broken by some unknown member of the crew, and the vessel had been so seriously injured that a long delay must occur before she could continue the voyage.

### Sudden Death.

LA GRANDE, Ore., Dec 6.—News has just reached this city that ex-State Senator J V Norval died suddenly this afternoon of heart disease. He had left his home, near Lincoln station, with the intention of taking the train for La Grande, being somewhat late, it was necessary for him to run to catch his train. As he came up to the station he was seen to reel and fall, and before any one could reach his side he had expired.

### Only Small Damage.

MARSHFIELD, Ore., Dec 6.—Since the waters on the Couleille have receded, it is learned that the damage to the Coos Bay & Roseburg railroad is found to have been overestimated, but as it was nearly all backwater, with no current, the receding floods leave the track only slightly damaged. There was a heavy wash at Cedar Point, which twisted and shifted two small span bridges, which were only temporary structures.

### Want The Earth.

OMAHA, Neb., Dec 6.—In the United States district court this morning Judge Dundy denied the application of the receivers of the Union Pacific to fix their salaries at \$18,000 each per annum. The court also ordered the receivers to deposit funds only in United States depositories. They were instructed to turn over to the treasurer of the road sufficient funds to operate.

### Hermann Bailed.

WASHINGTON, Dec 6.—Representative Hermann has been caught for \$95 by cashing a check for Frank M Burlison, a young man who presented a letter from W H Jamieson, of Roseburg. The letter was a forgery and the check bogus. Hermann had shown the man much kindness before on the strength of the recommendation of his friend Jamieson.

### The True Laxative Principle

Of the plants used in manufacturing the pleasant remedy, Syrup of Figs, has a permanently beneficial effect on the human system, while the cheap vegetable extracts and mineral solutions, usually sold as medicines, are so injurious, being well informed, you will use the true remedy only. Manufactured by the California Fig Syrup Co.

For ply's sake, don't growl and grumble because you are troubled with indigestion. No good was ever effected by snarling and fretting. Be a man (unless you happen to be a woman), and take Ayer's Sarsaparilla, which will relieve you, whether man or woman.

JACKETS.—The Ladies Bazaar have just received per express today direct from the manufacturers another new line of jackets for ladies and misses. Call early and get first choice for this will be the last chance this season.

AT MEAL TIMES do you ever consider the quality of the food you are eating? It may be good, it might be better purer, fresher and more wholesome. Is it not worth while to make sure that you eat, office, sugar, baked goods and luncheon-ble other groceries are of the best quality? There is such a trifling difference in the prices of the best and the worse that it does not pay to buy the worst, even on the false ground of supposed economy. The best is always the cheapest, because the most satisfactory and durable, and the very best of everything in the grocery line is kept at Parker Bros.

## ABSOLUTELY PURE

THE CENTURY AND ST NICHOLAS.

SEE HERE

Our readers do not need to be told what the Century Magazine is. It is a great work in any sense. For 1894 it will be greater than ever. 2000 pages of choice literature with 1000 illustrations. There will be a new novel by Mark Twain. Important expeditions, hunting of fierce game, artists' adventures, tramping with tramps, unpublished essays of James Russell Lowell, etc. The St Nicholas is the prince of children's magazines, the best of all of them. A feature of the 1894 number will be Tom Sawyer Abroad by Mark Twain, a natural history series, a series on American authors, stories of India by Rudyard Kipling, recollections of wild life, papers on the government and some beautiful serial stories, as well as the famous Brownies. The price of the Century is 25 cents a number, \$4.00 a year; of St Nicholas, \$3.00 a year. Any subscriber of the DEMOCRAT in good standing may secure the Century for \$3.50 or the St Nicholas for \$2.50, by leaving the money at this office. We will do the rest.

### Self Praise.

Self praise is no recommendation, but there are not times when one must permit a person to tell the truth about himself. When what he says is supported by the testimony of others, no reasonable man will doubt his word. Now, to say that Alcock's Porous Plasters are the only genuine and reliable porous plasters made is not self praise in the slightest degree. They have stood the test for over thirty years, and in proof of their merits it is only necessary to call attention to the cures they have effected and to the voluntary testimonials of those who have used them. Beware of imitations, and do not be deceived by misrepresentation. Ask for Alcock's, and let no solicitation or explanation induce you to accept a substitute.

### Proved to be the Best.

Tested and proved by over thirty years' use in all parts of the world, Alcock's Porous Plasters have the indorsement of the highest medical and chemical authorities and millions of grateful patients who have been cured of distressing ailments voluntarily testify to their merits. Alcock's Porous Plasters are purely vegetable. They are mild but effective, sure and quick in their action, and absolutely harmless.
