## Gladstone has A clear Head

WHY? Because he follows these rules: "Keep the head cool, the feet warm, and the bowels open." You can have a clear head and live to be ninety if you do the same thing. When the bowels fail to move during the day take on recting two Smith's Small Pills. Their action is so mild that you are not aware of it. All day your mind will be clear and cool. "Not a gripe in a barrel of them." Ask for small size. Take no substitute for SMITH'S

Bile Beans!
