The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers, that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.

The late Cyrus W. Field made an attempt some years ago to maintain a monument for John Andre, the British spy in our Revolution, whose capture led to the discovery of Benjamin Arnold's treason. Mr. Field's attempt was frustrated by some one or more parties, who in the night defaced and destroyed the proposed memorial. There may have been reason for this, in the fact that no monument had then been erected to Nathan Hale, an American spy, who was captured and hanged by the British in New York. His last words were, "I regret that I have but one life to give to my country." A statue bearing this inscription has been erected on the spot where the gallows stood. It was unveiled Nov. 25, the 110th anniversary of the day when the British evacuated New York city.

The entire products of the diamond mine at New Jagersfontein, South Africa, was taken during the first half of this year by a syndicate whose contract expired midnight June 30. It is perfect in color, except for a black spot in the middle, which will make it advisable to cut it in two.

In buying Hall's Catarrh Cure be sure you get the genuine. It is taken internally and is made in Toledo, Ohio, by F. J. Cheney & Co. Testimonials free. Sold by Druggists, price 75c per bottle.
