Lovers of the odd and the incongruous would be much interested in a little volume recently published by the Federal Government. It is supposed to be a list of the principal exports to the United States from cities and counties where Government consuls reside. From Turin, according to this record, we obtain gunstocks; from Naples, cattle fish bones; from Portugal, argols and antimony; from Moscow, horses' manes; from Riga, objects of divine service; from Barcelona, cream of tartar, glycerine, jackasses, and oil; paintings from Tuspan, Mexico, vanilla, clutches, honey, cedar, sassa-parilla and deerskins; from Colombia, skins hids, divi-divi, bones and bananas; from Batnurst, British Africa, ostrich eggs and everlasting flowers; from Sierra Leone, ginger, palm oil and monkeys; from New Zealand, Kauri gum, gold and sausage casings and from Samoa, wreckage, coir and curios.

When a doctor considers it necessary to prescribe sarsaparilla, he simply orders a bottle of Ayer's, knowing full well that he will obtain thereby a surer and purer preparation than any other which the drug store can furnish. Ayer's Sarsaparilla is the superior medicine.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers, that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.

A Medical Firm Gives Away Cash.
J. F. Smith & Co. of No. 238 Greenwich St., New York, the manufacturers of that favorite cathartic known as Smith's Bile Beans, have adopted a novel plan. They ask the individual buyers of Bile Beans to send their full name and address, with an outside wrapper from a bottle of Bile Beans (either size) to their office, and they give \$5 for the first wrapper received in each morning's mail, and \$1 for the 2d, 3d, 4th, 5th and 6th. Every day \$10 in cash is thus sent to their correspondents. Ask for SMALL size.
They increase appetite, purify the blood and act on the liver. Bile Beans are sold for Coughs, Croup and General Debility. Small Bile Beans. 25c. per bottle.

MAKES ITSELF FELT
—the great, gripping, old-fashioned pill. Not only when you take it, but unpleasant, from first to last, and it only does a little temporary good. The things to take its place are Dr. Pierce's Pleasant Pellets. One of these at a dose will regulate the whole system perfectly. They're tiny, sugar-coated granules, scarcely larger than mustard seeds. They act in Nature's own way. No reaction afterward. Their help lasts and they do permanent good. Constipation, Indigestion, Bilious Attacks, Sick or Bilious Headaches, and all derangements of the liver, stomach, and bowels are prevented, relieved, and cured.
They're the cheapest, for they're guaranteed to give satisfaction or money is returned. Nothing can be "just as good."

The Forum

"The Greatest of all our Periodicals."

The foremost men of the world write the literature of contemporaneous activity for THE FORUM.

Every great subject is taken up by The Forum when it naturally comes into public attention and is treated by the best authorities, without regard to parties or creeds. It will keep any thoughtful reader informed on the tasks and problems of the time, as no other periodical does.

To many thoughtful people, the price of The Forum has hitherto been prohibitory; indeed all the great Reviews have been too high in price for the masses of intelligent readers. But now the number of readers of thoughtful literature—men and women who wish really to know what is going on in the world outside the narrow limits of particular sects and parties—is great enough in the United States to warrant so revolutionary a reduction in price. The Forum discusses important subjects, but it is not dull. The literature of contemporaneous activity is, in fact, the most interesting of all literature. American citizenship implies that a man shall know the opinions of the foremost men and the latest great achievements in every direction of activity.

SIZE AND QUALITY UNCHANGED.
