The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers, that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.

THE WEAKEST SPOT

in your whole system, perhaps, is the liver. If that doesn't do its work of purifying the blood, more troubles come from it than you can remember.

Dr. Pierce's Golden Medical Discovery acts upon this weak spot as nothing else can. It rouses it up to healthy, natural action. By thoroughly purifying the blood, it reaches, builds up, and invigorates every part of the system.

For all diseases that depend on the liver or the blood—Dyspepsia, Indigestion, Biliousness; every form of Scrofula, even Consumption (or Lung-scrofula) in its earlier stages; and the most stubborn Skin and Scalp Diseases, the "Discovery" is the only remedy so unerring and effective that it can be guaranteed.

If it doesn't benefit or cure, you have your money back.

On these terms, it's an insult to your intelligence to have something else offered as "just as good."

Dr. Sage's Catarrh Remedy by its mild, soothing, cleansing and healing properties, perfectly and permanently cures Catarrh in the Head.

The Forum

"The Greatest of all our Periodicals."

The foremost men of the world write the literature of contemporaneous activity for THE FORUM.

Every great subject is taken up by the Forum when it naturally comes into public attention and is treated by the best authorities, without regard to parties or creeds. It will keep any thoughtful reader informed on the tasks and problems of the time, as no other periodical does.

To many thoughtful people, the price of the Forum has hitherto been prohibitory; indeed all the great Reviews have been too high in price for the masses of intelligent readers. But now the number of readers of thoughtful literature—men and women who wish really to know what is going on in the world outside the narrow limits of particular sects and parties—is great enough in the United States to warrant so revolutionary a reduction in price. The Forum discusses important subjects, but it is not dull. The literature of contemporaneous activity is, in fact, the most interesting of all literature. American citizenship implies that a man shall know the opinions of the foremost men and the latest great achievements in every direction of activity.

SIZE AND QUALITY UNCHANGED.

The Forum is now as cheap as the magazines of mere entertainment.
