

S. P. SMITH, of Towanda, Pa., whose constitution was completely broken down, is cured by Ayer's Sarsaparilla. He writes:

"For eight years, I was, most of the time, a great sufferer from constipation, kidney trouble, and indigestion, so that my constitution seemed to be completely broken down. I was induced to try Ayer's Sarsaparilla, and took nearly seven bottles, with such excellent results that my stomach, bowels, and kidneys are in perfect condition, and, in all their functions, as regular as clock-work. At the time I began taking Ayer's Sarsaparilla, my weight was only 129 pounds; I now can weigh 150 pounds, and was never in so good health. If you could see me before and after using, you would want me for a traveling advertisement. I believe this preparation of Sarsaparilla to be the best in the market to-day."

### The Best of Reasons.

The reason why Alcock's Porous Plaster are popular is that they may be relied on to cure.

1. Lame back, sciatica, stiffness or twitching of the muscles.
2. Chest troubles, such as pleurisy, pneumonia, consumption.
3. Indigestion, dyspepsia, biliousness, kidney complaint.

The success, however, will depend upon the genuineness of the plaster used. The popularity of Alcock's Porous Plaster has been so great that multitudes of imitations have sprung up on every hand. The only sure cure is to get the genuine Alcock's Porous Plaster.

Brandreth's Pills improve the digestion. Portland, Sacramento, Los Angeles Stockton and Salem have the same insurance rates. Albany, Or, Butte and Helena, Montana, Salt Lake City, Tacoma, and Walla Walla, Wash, and Spokane, have the same rates.

Buckingham's Dye for the Whiskers does its work thoroughly, coloring a uniform brown or black, which, when dry, will neither rub, wash off, nor soil linen.

People who have tried it, say that there is no better medicine for dyspepsia than Ayer's Sarsaparilla. It may not give one the stomach of an ostrich, but it so strengthens the alimentary organs that digestion of ordinary food becomes easy and natural.

You, You Can see that these are o samples for suitings in the state at W R Graham's, where he has a tailor with few equals on hand to make them up on short notice. Get the best and most stylish suits of him. A new feature will be the making of ladies' cloaks to order, or the altering of cloaks to the latest styles, and the repairing of cloaks. Prices are bottom ones.

Thin or gray hair and bald heads, so displeasing to many people as marks of age, may be averted for a long time by using Hall's Hair Renewer.

Shiloh's Cure, the great cough and croup cure, is for sale by us. Pocket size contains twenty-five doses, only 25c. Children love it as they do Mason.

When Baby was sick, we gave her Castoria. When she was a Child, she cried for Castoria. When she became Miss, she clung to Castoria. When she had Children, she gave them Castoria.

**A GOOD PLAN.**—It is a good plan to subscribe for and read carefully your own home paper, as it is the aim of this paper to make it an educational factor in the community. Besides that, if you are out of a job, or wish to increase your income, then here is the place to find it. In another column you will find an advertisement of B F Johnson & Co, of Richmond, Va, for workers, that may interest you.

Whatever may be the cause of blanching, the hair may be restored to its original color by the use of that potent remedy Hall's Vegetable Saffron Hair Renewer.

**VOCAL AND INSTRUMENTAL MUSIC.**—Miss Hattie Warner a graduate of the conservatory connected with Gates College, Neb, is prepared to give lessons in vocal and instrumental music to single pupils or classes, at reasonable terms. Miss Warner has had a thorough education and is an experienced teacher. Her references are: Prof H A Shorey, William & Frost and Mrs Jennie Lee.

**The Genuine and The Sham.**  
Every good thing has its host of imitators; every genuine article its counterfeit. The imitators always choose the most valuable and popular article to counterfeit, so that when they claim their sham to be equal, or as good, or the same as "So-and-So's," the public may depend upon that "So-and-So's" article is the best of the kind. The sham proves the genuine merit of the thing it copies and never has this been better illustrated than by the imitations of Alcock's Porous Plaster.

Alcock's Porous Plaster is the standard of excellence the world over, and its imitators in their cry that theirs is "as good as Alcock's" are only emphasizing this fact and admitting "Alcock's" to be the acme of perfection, which is their highest ambition to imitate. The difference between the genuine and these imitations, which copy only general appearance, is as wide as that between copper and gold.

The only safe way for purchasers is to always insist upon having Alcock's Porous Plaster. They are the only perfect plaster ever produced.

**WEDDING INVITATIONS.**—Wooden, Tin, Silver, Golden Common every day.

**AT MEAL TIMES** do you ever consider the quality of the food you are eating? It may be good. It might be better, purer, fresher and more wholesome. Is it not worth while to make sure that your tea, coffee, sugar, baked goods and innumerable other groceries are of the best quality? There is such a trifling difference in the prices of the best and the worst that it does not pay to buy the worst, even on the false ground of supposed economy. The best is always the cheapest, because the most satisfactory and durable, and the very best of everything in the grocery line is kept at Parker Bros.

When a doctor considers it necessary to prescribe sarsaparilla, he simply orders a bottle of Ayer's, knowing full well that he will obtain thereby a surer and purer preparation than any other when the drug store can furnish Ayer's Sarsaparilla is the superior medicine.

Provide yourself with a bottle of Ayer's Cherry Pectoral, and so have the means at hand for combating successfully with a sudden cold. As an emergency medicine, it has no equal, and leading physicians everywhere recommend it.

Shiloh's Vitalizer is what you need for dyspepsia, torpid liver, yellow skin or kidney trouble. It is guaranteed to give you satisfaction. Price 15c. Sold by Foshay & Mason.

Thousands of lives are saved annually by the use of Ayer's Pectoral. In the treatment of croup and whooping cough, the Pectoral has a most marvelous effect. It allays inflammation, frees the obstructed air passage and controls the desire to cough.

### TELEGRAPHIC NEWS.

Hot times at Rio.

LONDON, Jan 17.—A dispatch from Buenos Ayres, dated yesterday, says advances from Rio have reached their showing that rumors are current in the Brazilian capital that many members of the national guard are deserting and going over to the insurgents. Several persons, including a number of Italians, have been killed by shells fired by the insurgents into the middle of the city. Friends of the Italians have demanded indemnity. The government has informed the foreign residents that it will not accept any liability.

Another Train Wreck.

CHICAGO, S. C. Jan 17.—About 1 o'clock this morning the New York & Florida express, going south on the Richmond & Danville road, was run into at a crossing by a Georgia, Carolina & Northern train. The sleeping car sustained most of the damage and none of the occupants escaped injury. The greatest excitement and confusion prevailed for a time. At first it was reported 25 were killed, but this proved erroneous. Up to this time no accurate list of the dead and injured is obtainable.

Will Rement Beer.

WASHINGTON, Jan 17.—The democratic members of the ways and means committee have decided on an important amendment to the pending tariff bill. It covers the item of barley, but its effect will tend to the extensive manufacture of beer and its various other products. The rate already prepared in the Wilson bill is 20 per cent ad valorem. Whiting proposed that this scale be advanced to 30 per cent, and after much discussion the amendment was agreed to. The change is said to be of special interest to the beer industry of the West.

A Windy Affair.

JACKSONVILLE, Jan 17.—The Duval Club makes a final and most positive statement that the contest between Corbett and Mitchell will take place January 25. Reports have been sent out that Governor Mitchell has ordered troops to Jacksonville for the sole purpose of suppressing the contest. Notwithstanding these reports the club reiterates its past assertions, and for the past week have been arranging for an emergency of this kind.

Two Oregon Postmasters.

WASHINGTON, Jan 17.—Fourth-class postmasters were appointed for Oregon today as follows: James Patterson, at Blaine, Tillamook county, and J W Collins, at Carlton, Yamhill county.

The pleasant flavor, gentle action and soothing effect of Syrup of Figs, when in need of a laxative, and if the father or mother be constive or bilious, the most gratifying results follow its use; so that it is the best family remedy known and every family should have a bottle.

Experience of an Ex-Champion.

Athletes and men who take ordinary outdoor exercise such as walking, running, bicycle riding, jumping, swimming, tennis, etc, are often the subjects of acute troubles. The experience of an ex-champion walker will be of interest to all who are afflicted. Harry Brooks writes: "No. 314 East 19th St., New York, April 2, 1886. Numerous statements relative to the merits of different plasters having been brought to my attention, I take this opportunity to state that I have used Alcock's Porous Plaster for over 20 years and prefer them to any other kind. I would further state that I was very sick with catarrh of the kidneys, and attribute my recovery entirely to Alcock's Porous Plaster."

ABSOLUTELY PURE

THE CENTURY AND ST NICHOLAS.

Our readers do not need to be told what the Century Magazine is. It is a great work in any sense. For 1894 it will be greater than ever, 2900 pages of choice literature with 1000 illustrations. There will be a new novel by Mark Twain, important expeditions, hunting of fierce game, artists' adventures, tramps with tramps, unpublished essays of James Russell Lowell, etc. The St Nicholas is the prince of children's magazines, the best of all of them. A feature of the 1894 number will be Tom Sawyer Abroad by Mark Twain, a natural history series on American authors, stories of India by Rudyard Kipling, recollections of wild life, papers on the government and some beautiful serial stories, as well as the famous Brownies.

The price of the Century is 25 cents a number, \$4.00 a year; of St Nicholas, \$3.00 a year. Any subscriber of the DEMOCRAT in good standing, may secure the Century for \$3.50 or the St Nicholas for \$2.50, by leaving the money at this office. We will do the rest.

While it is over thirty years ago since Alcock's Porous Plaster were first introduced to the medical profession and public, the marked success and unprecedented popularity which they met with not only continues, but steadily increases. No other plasters have been produced which gain so many testimonials of high value as those continuously accorded to Alcock's Porous Plaster, and the only motive for these exceptional tributes lies in fact of their being a medicinal and pharmaceutical preparation of superior value. Additional proof of the true value of Alcock's Porous Plaster lies in the fact that they are being largely imitated by unscrupulous persons, who seek to deceive the public by offering plasters which they claim to be the same, "equal," "as good," "better," "best," "porous plaster," etc., while it is in general appearance only that they resemble Alcock's. Every one of the so-called porous plasters are imitations of Alcock's Porous Plaster.

Avoid dealers who attempt to palm off inferior and worthless plasters that are purchased by them at low rates for the purpose of substitution.

Ed Veaney, Brockville, Ontario, Canada says: "I have used Brandreth's Pills for the past fifteen years, and think them the best cathartic and anti-bilious remedy known. For some five years I suffered with an eruption of the skin that gave me great pain and annoyance. I tried different blood remedies, but, although gaining strength the itching was unrelieved. I finally concluded to take a thorough course of Brandreth's Pills. I took six each night for nights, then five, four, three, two, etc, ending each time by one, and then for one month took one every night, with the happy result that now my skin is perfectly clear and has been so ever since."

Self-Prater. Self-praise is no recommendation, but there are not times when one must praise a person to tell the truth about himself. When what he says is supported by the testimony of others, no reasonable man will doubt his word. Now, to say that Alcock's Porous Plaster are the only genuine and reliable porous plasters made is not self-praise in the slightest degree. They have stood the test for over thirty years, and in proof of their merits it is only necessary to call attention to the cures they have effected and to the voluntary testimonials of those who have used them. Beware of imitations, and do not be deceived by misrepresentation. Ask for Alcock's, and let no solicitation or explanation induce you to accept a substitute.
