VOL. 71

ALBANY, OREGON, FRIDAY, JANUARY 19, 1894.

NO. 217

S. P. SMITH, of Towanda, Pa., whose constitution was completely broken down, is cured by Ayer's Sarsaparilla. He writes:

"For eight years, I was, most of the time, a great sufferer from constipation, kidney trouble, and indigestion, so that my constitution seemed to be completely broken down. I was induced to try Ayer's Sarsaparilla, and took nearly seven bottles, with such excellent results that my stomach, bowels, and kidneys are in perfect condition, and, in all their functions, as regular as clock-work. At the time I began taking Ayer's Sarsaparilla, my weight was only 120 pounds; I now weigh 150 pounds, and was never in so good health. If you could see me before and after using, you would want me for a traveling advertisement. I believe this preparation of Sarsaparilla to be the best in the market to-day."

The Best Reasons.

The reason why Alcock's Porous Plaster are popular is that they may be relied on to cure:

1. Lame back, sciatica, stiffness or twisting of the muscles.

2. Chest troubles, such as pleurisy, pneumonia, consumption.

3. Indigestion, dyspepsia, biliousness, kidney complaint.

The success, however, will depend upon the genuineness of the plaster used. The popularity of Alcock's Porous Plaster has been so great that multitudes of imitations have sprung up on every hand. The only sure cure is to get the genuine Alcock's Porous Plaster.

Brandreth's Pills improve the digestion. Portland, Sacramento, Los Angeles Stockton and Salem have the same insurance rates. Albany, Or., Battle and Helena, Montana, Salt Lake City, Tacoma, and Walla Walla, Wash., and Spokane, have the same rates.

Backingham's Dye for the Whiskers does its work thoroughly, coloring a uniform brown or black, which, when dry, will neither rub, wash off, nor soil hair.

People who have tried it, say that there is no better medicine for dyspepsia than Ayer's Sarsaparilla. It may not give one the stomach of an ostrich, but it so strengthens the alimentary organs that digestion of ordinary food becomes easy and natural.

Yes, You Can See the Best of the Samples for suitings in the state at W. R. Graham's, where he has a tailor with few equals on hand to make them up on short notice. Get the best and most stylish suits of him. A new feature will be the making of ladies' cloaks to order, or the altering of cloaks to the latest styles, and the repairing of cloaks. Prices are bottom ones.

Thin or gray hair and bald heads, so displeasing to many people as marks of age, may be averted for a long time by using Hall's Hair Renewer.

Shloh's Cure, the great cough and croup cure, is for sale by us. Pocket size contains twenty-five doses, only 25c. Children love it. Shloh & Mason.

When Baby was sick, we gave her Castoria. When she was a Child, she cried for Castoria. When she became Miss, she clung to Castoria. When she had Children, she gave them Castoria.

A GOOD PLAN.—It is a good plan to subscribe for and read carefully your own home paper, as it is the aim of this paper to make it an educational factor in the community. Besides that, if you are out of a job, or wish to increase your income, then here is the place to find it. In another column you will find an advertisement of B. F. Johnson & Co., of Richmond, Va., for workers, that may interest you.

Whatever may be the cause of blanching, the hair may be restored to its original color by the use of that potent remedy Hall's Vegetable Sulfur Hair Renewer.

VOCAL AND INSTRUMENTAL MUSIC.—Miss Hattie Warner a graduate of the conservatory connected with Gates College, Neb., is prepared to give lessons in vocal and instrumental music to single pupils or classes, at reasonable terms. Miss Warner has had a thorough education and is an experienced teacher. Her references are: Prof. H. A. Shorey, William & Trow and Mrs. Jennie Lee.

The Genuine and The Sham. Every good thing has its host of imitators; every genuine article its counterfeit. The imitators always choose the most valuable and popular article to counterfeit, so that when they claim their sham to be equal, or as good, or the same as "So-and-So's," the public may depend upon it that "So-and-So's" article is the best of the kind. The sham proves the genuine merit of the thing it copies, and never has this been better illustrated than by the imitations of Alcock's Porous Plaster.

Alcock's Porous Plaster is the standard of excellence the world over, and its imitators in their city that there is "as good as Alcock's" are only emphasizing this fact and admitting "Alcock's" to be the acme of perfection, which it is their highest ambition to imitate. The difference between the genuine and these imitations, which copy only general appearance, is as wide as that between copper and gold.

The only safe way for purchasers is to always insist upon having Alcock's Porous Plaster. They are the only perfect plaster ever produced.

WEDDING INVITATIONS.—Wooden, Tin, Silver, Golden Common every day.

TELEGRAPHIC NEWS.

A Fire.

HILLSBORO, Or., Jan. 18.—About 6 o'clock this morning a fire broke out in the rear of the Old F. W. hall a place. So quickly did it flame that very little could be done to check its progress or save any of the contents of the building. The building was the property of Montezuma Lodge No. 50, I. O. O. F. The lower story has been occupied by S. M. Heide as a bakery and confectionery store. Both building, and contents were totally destroyed. The loss on the building and the property belonging to the different lodges, in the way of paraphernalia, etc., will reach \$2500; insurance \$1200. Heide also loses his entire stock, which is estimated at \$800; insurance, \$450. The origin of the fire is doubtless due to the explosion of a lamp.

Labor Claims Attached.

CORVALLIS, Jan. 18.—Labor claims in the hands of G. W. Hadley, as trustee, aggregating \$40,000, were attached today to satisfy a claim of John P. Fay and C. H. Gest for legal services alleged to have been performed for James A. and John I. Blair, Joseph Wharton and Alexander Brown. The claims attached had been assigned to Mr. Hadley in trust for these parties last spring to secure them for money advanced on a certain issue of receiver's certificates made to pay on labor claims accrued under the Hong reclamation.

These Bonds.

WASHINGTON, Jan. 18.—Saw that Secretary Carlisle has taken action on the bond question, there is a feeling of relief among treasury officials. The printing will be pushed rapidly, but the bonds can scarcely be ready for delivery before February 1, to bear interest from that time. Among the large crowd of outsiders on Carlisle today was a New Yorker who had come to announce personally that he was willing to take the whole \$50,000,000 bonds.

Italian Matters.

ROME, Jan. 18.—A correspondent returned today from Carrara and Massa di Carrara, where the state of siege has been proclaimed, owing to attempts of the anarchists to start a revolution in the district. Cavalrymen ride incessantly through the towns and infantry with fixed bayonets patrol the streets. All soldiers on duty in the towns have orders to prevent groups arising in the streets.

Will Fight.

JACKSONVILLE, Fla., Jan. 18.—Corbett and Mitchell will meet and fight it out within 3 miles of Jacksonville a week from today. That is a certainty. The Duvall Athletic Club claims that while Governor Mitchell's firm stand against the fight is illegal and arbitrary, it effectually disposes of all chances of pulling off the "will where the thing could be made a financial success in this city. Under the most advantageous circumstances the receipts will not pay the liabilities incurred.

A Child Enjoys.

The pleasant flavor, gentle action and soothing effects of Syrup of Figs, when in need of a laxative, and if the father or mother be constipated or bilious, the most gratifying results follow its use; so that it is the best family remedy known and every family should have a bottle.

Experience of an Ex-Champion.

Athletes and men who take ordinary outdoor exercise such as walking, running, bicycle riding, jumping, swimming, tennis, etc., are often the subjects of acute troubles. The experience of an ex-champion walker will be of interest to all who are afflicted. Harry Brooks writes:

"No. 34 East 19th St., New York, April 2, 1893. Numerous statements relative to the merits of different plasters having been brought to my attention, I take this opportunity to state that I have used Alcock's Porous Plaster for over 20 years and prefer them to any other kind. I would furthermore state that I was very sick with an attack of the kidneys, and attribute my recovery entirely to Alcock's Porous Plaster."

When a doctor considers it necessary to prescribe sarsaparilla, he simply orders a bottle of Ayer's, knowing full well that he will obtain thereby a surer and purer preparation than any other which the drug store can furnish. Ayer's Sarsaparilla is the superior medicine.

THE CENTURY AND ST. NICHOLAS.

Our readers do not need to be told what the Century Magazine is. It is a great work in any sense. For 1894 it will be greater than ever, 2000 pages of choice literature with 1000 illustrations. There will be a new novel by Mark Twain, important expeditions, hunting of feroce game, artists' adventures, tramping with tramps, unpublished essays of James Russell Lowell, etc.

The St. Nicholas is the prince of children's magazines, the best of all of them. A feature of the 1894 number will be Tom Sawyer Abroad by Mark Twain, a natural history series, a series on American authors, stories of India by Rudyard Kipling, recollections of wild life, papers on the government and some beautiful serial stories, as well as the famous Brownies.

The price of the Century is 35 cents a number, \$4.00 a year; of St. Nicholas, \$3.00 a year. Any subscriber of the CENTURY in good standing may secure the Century for \$3.50 or the St. Nicholas for \$2.50, by leaving the money at this office. We will do the rest.

While it is over thirty years ago since Alcock's Porous Plaster were first introduced to the medical profession and public, the marked success and unprecedented popularity which they met with not only continues, but steadily increases. No other plasters have been produced which give so many testimonials of high value as those continuously accorded to Alcock's Porous Plaster, and the only motive for these exceptional tributes lies in fact of their being a medicinal and pharmaceutical preparation of superior value. Additional proof of the true value of Alcock's Porous Plaster lies in the fact that they are being largely imitated by unscrupulous persons, who seek to deceive the public by offering plasters which they claim to be the same, 'equal,' 'as good,' 'better,' 'best porous plaster,' etc., while it is in general appearance only that they resemble Alcock's. Every one of the so-called porous plasters are imitations of Alcock's Porous Plaster.

Avoid dealers who attempt to palm off inferior and worthless plasters that are purchased by them at low rates for the purpose of substitution.

Ed Venney, Brockville, Ontario, Canada says:

"I have used Brandreth's Pills for the past fifteen years, and think them the best cathartic and anti-bilious remedy known. For some five years I suffered with an eruption of the skin that gave me great pain and annoyance. I tried different blood remedies, but, although gaining strength the itching was unrelieved. I finally concluded to take a thorough course of Brandreth's Pills. I took six each night for nights, then five, four, three, two, lessening each time by one, and then for one month took one every night, with the happy result that now my skin is perfectly clear and has been so ever since."

Self Praise.

Self praise is on recommendation, but there are not times when one must permit a person to tell the truth about himself. When what he says is supported by the testimony of others no reasonable man will doubt his word. Now, to say that Alcock's Porous Plaster are the only genuine and reliable porous plasters made is not self praise in the slightest degree. They have stood the test for over thirty years, and in proof of their merit it is only necessary to call attention to the cures they have effected and to the voluntary testimonials of those who have used them. Beware of imitations, and do not be deceived by misrepresentation. Ask for Alcock's, and let no solicitation or explanation induce you to accept a substitute.
