

"When I was a Boy,"
Writes Postmaster J. C. WOODSON, Forest Hill, W. Va., "I had a bronchial trouble of such a persistent and stubborn character, that the doctor pronounced it incurable with ordinary medicines, and advised me to try Ayer's Cherry Pectoral. I did so, and one bottle cured me. For the last fifteen years, I have used this preparation with good effect whenever I take

A Bad Cold,
and I know of numbers of people who keep it in the house all the time, not considering it safe to be without it."

"I have been using Ayer's Cherry Pectoral in my family for 20 years, with the most satisfactory results, and can cheerfully recommend it as being especially adapted to all pulmonary complaints. I have, for many years, made pulmonary and other medicines a special study, and I have come to the conclusion that Ayer's Cherry Pectoral occupies a position pre-eminent over other medicines of the class."—Chas. Davenport, Dover, N. J.

The Nurse's Delight
Every experienced nurse knows the value of a remedy which, without being an anodyne, will relieve soreness of the limbs or stiffness of the joints, and enable the patient to sleep quietly and naturally.
Just such a remedy are Alcock's Porous Plasters. Placed on the chest or on the back, if necessary cut into strips and placed over the muscles of the limbs, they work marvels in the way of soothing and quieting restlessness. Being perfectly simple and harmless in their composition, they can be used freely, and every sufferer has thanked them for a night of quiet rest, grateful both to him and those who care for him.
Brandreth's Pills do not weaken the bowels.

VOCAL AND INSTRUMENTAL MUSIC.—Miss Hattie Warner a graduate of the conservatory connected with Gates College, Neb., is prepared to give lessons in vocal and instrumental music to single pupils or classes, at reasonable terms. Miss Warner has had a thorough education and is an experienced teacher. Her references are: Prof. H. A. Shorey, William & Trow and Mrs. Jennie Lee.

The Best of Reasons.
The reason why Alcock's Porous Plaster are popular is that they may be relied on to cure:
1. Lame back, sciatica, stiffness or twitching of the muscles,
2. Chest troubles, such as pleurisy, pneumonia, consumption,
3. Indigestion, dyspepsia, biliousness, kidney complaint.

The success, however, will depend upon the genuineness of the plaster used. The popularity of Alcock's Porous Plaster has been so great that multitudes of imitations have sprung up on every hand. The only sure cure is to get the genuine Alcock's Porous Plaster.
Brandreth's Pills improve the digestion. Portland, Sacramento, Los Angeles Stockton and Salem have the same insurance rates. Albany, Or., Butte and Helena, Montana, Salt Lake City, Tacoma, and Walla Walla, Wash., and Spokane, have the same rates.

When Baby was sick, we gave her Castoria.
When she was a Child, she cried for Castoria.
When she became Miss, she clung to Castoria.
When she had Children, she gave them Castoria.

Whatever may be the cause of blanching, the hair may be restored to its original color by the use of that potent remedy, Hall's Vegetable Sillian Hair Renewer.

Self Praise.
Self praise is no recommendation, but there are not times when one must permit a person to tell the truth about himself. When what he says is supported by the testimony of others no reasonable man will doubt his word. Now, to say that Alcock's Porous Plasters are the only genuine and reliable porous plasters made is not self praise in the slightest degree. They have stood the test for over thirty years, and in proof of their merits it is only necessary to call attention to the cures they have effected and to the voluntary testimonials of those who have used them. Beware of imitations, and do not be deceived by misrepresentation. Ask for Alcock's, and let no solicitation or explanation induce you to accept a substitute.

A GOOD PLAN.—It is a good plan to subscribe for and read carefully your own home paper, as it is the aim of this paper to make it an educational factor in the community. Johnson & Co. of Richmond, Va., for workers, that may interest you.

TELEGRAPHIC NEWS.

A Marvelous Power.
TACOMA, Wash., Jan 24.—The sensation created among the Norwegians and Scandinavians here by Edward Brekhus, an ignorant Swede, who preaches eloquent sermons while in a trance, continues unabated. Whether Brekhus is being guided directly by God, and his body inhabited by the spirit of the Holy Ghost, as claimed, will be doubted by people generally, but it is believed by hundreds and hundreds of Norwegian and Swedish Lutherans, and many who are not members of that church in this city. Certainly the young man is not practicing deception. He cannot account for his condition and his spells of catalepsy or whatever it may be.

What Good Will It Do
New York, Jan 24.—Mrs. Minnie Fitchpatrick, aged 55 and the widow of a naval officer, is a cancer patient in a private ward in St. Catherine's hospital, Brooklyn. It is claimed by her friends that she will inherit between \$8,000,000 and \$10,000,000 if she lives until June 19. She is said to be a sister of the late Archbishop Bailey of Baltimore, at one time bishop of Newark, and the founder of Seton Hall college.

A Brave Man
OSWEGO, N. Y., Jan 24.—Edward Cathcart, aged 20, and Miss Eva Pass, aged 18, broke through the ice yesterday. Cathcart, by a great effort succeeded in getting the young woman upon solid ice, but was so exhausted that he could not help himself out and was drowned. Miss Pass was found unconscious on the ice soon afterward. Cathcart was the son of a widow and her only support.

Exorbitant Prices
JACKSONVILLE, Jan 24.—At the club at 8 o'clock tonight it was announced that \$10,000 worth of tickets had been sold today. The club has taken advantage of the fighting craze to advance the price of choice seats from \$25 to \$35, and the club thrift has further developed into a resolution to charge all of the newspaper men full price of admission. Up to a late hour tonight tickets were being sold rapidly.

Will Withdraw
LONDON, Jan 24.—The Truth today says the Princess of Wales has decided to withdraw from society. It adds that the Princess of Wales recently, in declining for the princess an invitation to visit the residence of the Duke of Rutland at Grantham, stated that the princess would hereafter take no part in social events.

Good Business
MONTREAL, Quebec, Jan 24.—The annual report of the Montreal board of trade, among other things, states that business throughout Canada last year was little affected by the severe depression that existed in the United States.

A Child Enjoys
The pleasant flavor, gentle action and soothing effect of Syrup of Figs, when in need of a laxative, and if the father or mother be constive or bilious, the most gratifying results follow its use; so that it is the best family remedy known and every family should have a bottle.

The continual succession of boils, pimples, and eruptions from which many suffer, indicates an impure state of the blood. The most effective remedy is Ayer's Sarsaparilla. It expels the poison harmlessly through the natural channels, and leaves the skin clean and clear.

Eruption of the Liu Cera.
Ed Venney, Brockville, Ontario, Canada says:

"I have used Brandreth's Pills for the past fifteen years, and think them the best cathartic and anti-bilious remedy known. For some five years I suffered with an eruption of the skin that gave me great pain and annoyance. I tried different blood remedies, but, although gaining strength the itching was unrelieved. I finally concluded to take a thorough course of Brandreth's Pills. I took six each night for nights then five, four, three, two, reserving each time by one, and then for one month took one every night, with the happy result that now my skin is perfectly clear and has been so ever since."

THE CENTURY AND ST NICHOLAS.
Our readers do not need to be told what the Century Magazine is. It is a great work in any sense. For 1894 it will be greater than ever, 2000 pages of choice literature with 1000 illustrations. There will be a new novel by Mark Twain, important expeditions, hunting of force game, artists adventures, tramping with tramps, unpublished essays of James Russell Lowell, etc.
The St Nicholas is the prince of children's magazines, the best of all of them. A feature of the 1894 number will be Tom Sawyer Abroad by Mark Twain, a natural history series, a series on American authors, stories of India by Rudyard Kipling, recollections of wild life, papers on the government and some beautiful serial stories, as well as the famous Brownies.
The price of the Century is 35 cents a number, \$4.00 a year; of St Nicholas, \$3.00 a year. Any subscriber of the DEMOCRAT in good standing may secure the Century for \$3.50 or the St Nicholas for \$2.50, by leaving the money at this office. We will do the rest.
