The Nurse's Delight

Every experienced nurse knows the value of a remedy which, without being an anodyne, will relieve soreness of the limbs or stiffness of the joints, and enable the patient to sleep quietly and naturally. Just such a remedy are Alcock's Porous Plasters. Placed on the chest or on the back, if necessary, cut into strips and "loosed" over the muscles of the limbs, they work marvelously in the way of soothing and quieting restlessness. Being perfectly simple and harmless in their composition, they can be used freely, and every sufferer has thanked them for a night of quiet rest, grateful both to him and those who care for him. Brandreth's Pills do not weaken the bowels.

Vocal and Instrumental Music.

Miss Hattie Warner, a graduate of the conservatory connected with Gates College, Neb., is prepared to give lessons in vocal and instrumental music to single pupils or classes, at reasonable terms. Miss Warner has had a thorough education and is an experienced teacher. Her references are: Prof. H. A. Shorey, William A. Trow and Mrs. Jennie Lee.

TRIBUTE.

While it is over thirty years ago since Alcock's Porous Plasters were first introduced to the medical profession and public, the marked success and unprecedented popularity which they met with not only continues, but steadily increases. No other plasters have been produced which go so many testimonials of high value as those continuously accorded to Alcock's Porous Plasters, and the only motive for their being a medicinal and pharmaceutical preparation of superior value. Additional proof of the true value of Alcock's Porous Plasters lies in the fact that they are being largely imitated by unscrupulous persons, who seek to deceive the public by offering plasters which they claim to be the same, "equal," "as good," "better," "best porous plaster," etc., while it is in general appearance only that they resemble Alcock's. Every one of the so-called porous plasters are imitations of Alcock's Porous Plasters.

Avoid dealers who attempt to palm off inferior and worthless plasters that are purchased by them at low rates for the purpose of substitution.

A GOOD PLAN.—It is a good plan to subscribe for and read carefully your own home paper, as it is the aim of this paper to make it an educational factor in the community. Besides that, if you are out of a job, or wish to increase your income, then here is the place to find it. In another column you will find an advertisement of B. F. Johnson & Co. of Richmond, Va., for workers, that may interest you.

Eruption of the Skin Cured.

Ed Veaney, Brockville, Ontario, Canada says:

"I have used Brandreth's Pills for the past fifteen years, and think them the best cathartic and anti-bilious remedy known. For some five years I suffered with an eruption of the skin that gave me great pain and annoyance. I tried different blood purifiers, but, although relieving the itching, the eruption was not cured. I finally concluded to take a thorough course of Brandreth's Pills. I took six each night for nights, then five, four, three, two, one, and then one every night, with the happy result that now my skin is perfectly clear and has been so ever since."

AT MEAL TIMES do you ever consider the quality of the food you are eating? It may be good. It might be better, purer, fresher and more wholesome. Is it not worth while to make sure that your tea, coffee, sugar, baked goods and innumerable other groceries are of the best quality? There is such a trifling difference in the prices of the best and the worst that it does not pay to buy the worst, even on the false ground of supposed economy. The best is always the cheapest, because the most satisfactory and durable, and the very best of everything in the grocery line is kept at Parker Bros.
