A Little Daughter

Of a Church of England minister cured of a distressing rash, by Ayer's Sarsaparilla. Mr. RICHARD BIRD, the well-known Druggist, 207 McGill st., Montreal, P. Q., says:

I have sold Ayer's Family Medicines for 40 years, and have heard nothing but good said of them. I know of many

Wonderful Cures

performed by Ayer's Sarsaparilla, one in particular being that of a little daughter of a Church of England minister. The child was literally covered from head to foot with a red and exceedingly troublesome rash, from which she had suffered for two or three years, in spite of the best medical treatment available. Her father was in great distress about the case, and, at my recommendation, at last began to administer Ayer's Sarsaparilla, two bottles of which effected a complete cure, much to her relief and her father's delight. I am sure, were he here to-day, he would testify in the strongest terms as to the merits of

RUSSELL, County School Superintendent.

Expensive Economy.

Some people begrudge the little money that an Alcock's Porous Plaster costs, and then when they are racked with pain from the soreness arising from a cold, they will spend any amount of money to relieve the pain. If they only had one of these world renowned plasters on hand they would be saved a vast amount of suffering and be considerably richer. At the first sign of stiffness of the joints apply one of these plasters without any delay. The soreness will be greatly relieved at once and soon disappear entirely. It will be money saved to have them on hand, to say nothing of the comfort they bring.

Brandreth's Pills contain no irritating matter.

SOCIAL AND INSTRUMENTAL MUSIC.

Miss Hattie Warner a graduate of the conservatory connected with Gates College, Neb., is prepared to give lessons in vocal and instrumental music to single pupils or classes, on reasonable terms. Miss Warner has had a thorough education and is an experienced teacher. Her references are: Prof. A. Shorey, William A. Frow and Mrs. Jennie Lee.

TRIBUTE.

While it is over thirty years ago since Alcock's Porous Plasters were first introduced to the medical profession and public, the marked success and unprecedented popularity which they met with not only continues, but steadily increases. No other plasters have been produced which gain so many testimonials of high value as those continuously accorded to Alcock's Porous Plasters, and the only motive for these exceptional tributes lies in fact of their being a medicinal and pharmaceutical preparation of superior value. Additional proof of the true value of Alcock's Porous Plasters lies in the fact that they are being largely imitated by unscrupulous persons, who seek to deceive the public by offering plasters which they claim to be the same, "equal," "as good," "better," "best porous plaster," etc., while it is in general appearance only that they resemble Alcock's. Every one of the so-called porous plasters are imitations of Alcock's Porous Plasters.

Avoid dealers who attempt to palm off inferior and worthless plasters that are purchased by them at low rates for the purpose of substitution.

A GOOD PLAN.—It is a good plan to subscribe for and read carefully your own home paper, as it is the aim of this paper to make it an educational factor in the community. Besides that, if you are out of a job, or wish to increase your income, then here is the place to find it. In another column you will find an advertisement of B. F. Johnson & Co. of Richmond, Va., for workers, that may interest you.

Eruption of the skin cured.

Ed Venney, Brockville, Ontario, Canada says:

"I have used Brandreth's Pills for the past fifteen years, and think them the best cathartic and anti-bilious remedy known. For some five years I suffered with an eruption of the skin that gave me great pain and annoyance. I tried different blood remedies, but, although gaining strength the itching was unrelieved. I finally concluded to take a thorough course of Brandreth's Pills. I took six each night for nights, then five, four, three, two, including each time by one, and then for one month took one every night, with the happy result that now my skin is perfectly clear and has been so ever since."

AT MEAL TIMES do you ever consider the quality of the food you are eating? It may be good. It might be better, purer, fresher and more wholesome. Is it not worth while to make sure that your tea, coffee, sugar, baked goods and innumerable other groceries are of the best quality? There is such a trifling difference in the prices of the best and the worst that it does not pay to buy the worst, even on the false ground of supposed economy. The best is always the cheapest, because the most satisfactory and durable, and the very best of everything in the grocery line is kept at Parker Bros.

"Now is the winter of our discontent made glorious summer," by Ayer's Sarsaparilla. This wonderful medicine so invigorates the system and enriches the blood that cold weather becomes positively enjoyable. Arctic explorers would do well to make a note of this.

TELEGRAPHIC NEWS.

Evans Fights

FRESNO, Cal., Feb. 4.—A fight between the bandits Evans and Morel and Deputy Sheriff Timmins and Boyd occurred in the Slippery Rock country about 20 miles east of Dinubia this afternoon. The officers were looking for the bandits in that neighborhood, and were riding in a cart. When they got near the place of a rancher named Robinson, Timmins alighted and started in the direction of the house. He had only gone a short distance when Evans and Morel came out of St. Clair's house near by and immediately opened fire on the officers. The latter had the advantage of being separated, and could have raked the bandits from both sides, as Evans and Morel were in a line between them. Instead, it is reported, the officers took to flight, the bandits diligently firing upon them.

The Order of the Week

WASHINGTON, Feb. 4.—The Hawaiian debate, Bland's bill for the coinage of the silver cent, the O'Neil-Joy contest of election case and, perhaps the fortifications appropriation bill will occupy the attention of the house during the week. By an arrangement agreed upon just before the house adjourned last night, the Hawaiian debate is extended until 3:30 Tuesday, the special order for its consideration being modified so as to include a provision for a vote upon Bontelle's resolution, as well as those of McCreary and Hitt.

For Charity

NEW YORK, Feb. 4.—James J. Corbett and Charley Mitchell, having settled their differences and become good friends, have generously volunteered to box four rounds at the Grand Central Palace Monday night, February 19, for charity's sake. It is intended to make this as nearly as possible an exact reproduction of the scene in the ring of the Duval Athletic Club at Jacksonville, January 25.

Caused by a Cigarette

NORTH YAKIMA, Feb. 4.—The store of Nevada Lillie, at Toppenish, Yakima county, was destroyed by fire early this morning. The loss is estimated at \$2,000. There had been a dance in the store building and it is believed the fire was the result of cigarette smoking. Nothing is known here relative to the insurance.

Doesn't Want It

CLEVELAND, O., Feb. 4.—The secret of the visit to Columbus of J. C. Gowdy, chairman of the Indiana republican state executive committee, is out. Chairman Gowdy was an accredited messenger from ex-President Harrison and he carried with him assurances of good will and substantial aid in the governor's coming fight for the presidential nomination, two years hence. Harrison does not want the nomination and would not accept it.

THE CENTURY AND ST. NICHOLAS.

Our readers do not need to be told what the Century Magazine is. It is a great work in any sense. For 1894 it will be greater than ever. 2000 pages of choice literature with 1000 illustrations. There will be a new novel by Mark Twain, important expeditions, hunting of fierce game, artists' adventures, tramping with tramps, unpublished essays of James Russell Lowell, etc. The St. Nicholas is the prince of children's magazines, the best of all of them. A feature of the 1894 number will be Tom Sawyer Abroad by Mark Twain, a natural history series, a series on American authors, stories of India by Rudyard Kipling, recollections of wild life, papers on the government and some beautiful serial stories, as well as the famous Brownies.

The price of the Century is 35 cents a number, \$4.00 a year; of St. Nicholas, \$3.00 a year. Any subscriber of the Democrat in good standing may secure the Century for \$3.50 or the St. Nicholas for \$2.50, by leaving the money at this office. We will do the rest.

The Best of Reasons.

The reason why Alcock's Porous Plaster are popular is that they may be relied on to cure.

1. Lame back, sciatica, stiffness or twitching of the muscles.
2. Chest troubles, such as pleurisy, pneumonia, consumption.
3. Indigestion, dyspepsia, biliousness, kidney complaint.

The success, however, will depend upon the genuineness of the plaster used. The popularity of Alcock's Porous Plaster has been so great that multitudes of imitations have sprung up on every hand. The only sure cure is to get the genuine Alcock's Porous Plasters.

Brandreth's Pills improve the digestion. Portland, Sacramento, Los Angeles Stockton and Salem have the same insurance rates. Albany, Or, Butte and Helena, Montana, Salt Lake City, Tacoma, and Walla Walla, Wash, and Spokane, have the same rates.

Self Praise.

Self praise is no recommendation, but there are not times when one must permit a person to tell the truth about himself. When what he says is supported by the testimony of others no reasonable man will doubt his word. Now, to say that Alcock's Porous Plasters are the only genuine and reliable porous plasters made is not self praise in the slightest degree. They have stood the test for over thirty years, and in proof of their merits it is only necessary to call attention to the cures they have effected and to the voluntary testimonials of those who have used them. Beware of imitations, and do not be deceived by misrepresentation. Ask for Alcock's, and let no solicitation or explanation induce you to accept a substitute.
