## A Racking Cough

Cured by Ayer's Cherry Pectoral. Mrs. P. D. HALL, 217 Genesee St., Lockport, N. Y., says:

"Over thirty years ago, I remember hearing my father describe the wonderful curative effects of Ayer's Cherry Pectoral. During a recent attack of La Grippe, which assumed the form of a catarrh, soreness of the lungs, accompanied by an aggravating cough, I used various remedies and prescriptions. While some of these medicines partially alleviated the coughing during the day, none of them afforded me any relief from that spasmodic action of the lungs which would seize me the moment I attempted to lie down at night. After ten or twelve such nights, I was

## Nearly in Despair,

and had about decided to sit up all night in my easy chair, and procure what sleep I could in that way. It then occurred to me that I had a bottle of Ayer's Cherry Pectoral. I took a spoonful of this preparation in a little water, and was able to lie down without coughing. In a few moments, I fell asleep, and awoke in the morning greatly refreshed and feeling much better. I took a teaspoonful of the Pectoral every night for a week, then gradually decreased the dose, and in two weeks my cough was cured."

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers, that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.

## Eruption of the Skin Cured.

Ed Vesney, Brockville, Ontario, Canada says:

"I have used Brandreth's Pills for the past fifteen years, and think them the best cathartic and anti-bilious remedy known. For some five years I suffered with an eruption of the skin that gave me great pain and annoyance. I tried different blood remedies, but, although gaining strength the itching was unrelieved. I finally concluded to take a thorough course of Brandreth's Pills. I took six each night for nights, then five, four, three, two, one, each time by one, and then for one month took one every night, with the happy result that now my skin is perfectly clear and has been so ever since."

To grow old gracefully, one must live temperately, calmly, methodically; be interested in all that is going on in the world; be cheerful, happy and contented, and above all, keep the blood pure and vigorous by the use of Ayer's Sarsaparilla. Be sure you get Ayer's.

The Best of Reasons.

The reason why Alcock's Porous Plasters are popular is that they may be relied on to cure.

1. Lame back, sciatica, stiffness or twitching of the muscles.  
2. Chest troubles, such as pleurisy, pneumonia, consumption.  
3. Indigestion, dyspepsia, biliousness, kidney complaint.

The success, however, will depend upon the genuineness of the plaster used. The popularity of Alcock's Porous Plaster has been so great that multitudes of imitations have sprung up on every hand. The only sure cure is to get the genuine Alcock's Porous Plasters.

Brandreth's Pills improve the digestion. Portland, Sacramento, Los Angeles Stockton and Salem have the same insurance rates. Albany, Or. Butte and Helena, Montana, Salt Lake City, Tacoma, and Walla Walla, Wash. and Spokane, have the same rates.

To preserve a youthful appearance as long as possible, it is indispensable that the hair should retain its natural color and fullness. There is no preparation so effective as Ayer's Hair Vigor, it prevents baldness, and keeps the scalp clean, cool, and healthy.

Yes, you can see the finest line samples for suitings in the state at W. R. Graham's, where he has a tailor with few equals on hand to make them up on short notice. With pure, vigorous blood coursing through the veins and animating every fibre of the body, cold weather is not only endurable but pleasant and agreeable. No other blood medicine is so certain in its results as Ayer's Sarsaparilla. What it does for others it will do for you.

"Now is the winter of our discontent made glorious summer" by Ayer's Sarsaparilla. This wonderful medicine so invigorates the system and enriches the blood that cold weather becomes positively enjoyable. Ayer's explorers would do well to make a note of this!

## TELEGRAPHIC NEWS.

### Oregon Officers

WASHINGTON, Feb. 14.—Oregon's patronage brokers did all they could to hasten the appointment of a collector of customs for the southern district of Oregon. They did this because they feared a consolidation of districts. The choice of John S. Cooke, of Dorra, for the place, while totally unexpected, did not surprise anyone, for all were prepared for the nomination of someone altogether unheard of.

The next contest of note will be for the place now held by Royal A. Benson, collector at Yaquina, whose four years will be up June 20, 1894. The candidates for his place are:

Daniel Carlie, of Corvallis; James W. Ball, of Newport; M. M. Davis, of Yaquina, and W. H. Parker, of Albany.

There was another lot of postmasters nominated by the president today. Among them was Alphonse Leroy at La Grande. The following fourth-class postmaster for Oregon were also appointed: D. M. Collier at Jubler, Union county, and Jacob Blazer at Oas, Lincoln county.

### The Gold Output

WASHINGTON, Feb. 14.—Returns received at the treasury department indicate the gold output for 1893 in the United States will reach almost the unprecedented amount \$77,000,000, an increase over 1892 of \$4,000,000. In Colorado the output has increased from \$3,000,000 in 1892 to \$5,000,000 in 1893. While the gains in all gold-producing countries are unusually large, the Australian production will carry the production of the world, it is thought, to \$150,000,000.

### These War Claims

WASHINGTON, Feb. 14.—Hermann has been assured by the house committee on war claims that his bill for \$500,000 for Oregon and Washington Indian war claims will be made a part of tax omnibus bill carrying \$2,000,000. The chairman of the committee says this bill, like the river and harbor appropriation, will go through, for every member has something in it.

### A German Cyclone

BREITEN, Feb. 14.—The hurricane that swept over the Northern part of Germany caused large loss of life. Six fishing boats belonging to Rindert, a small village on the Baltic sea, were lost in the storm and 22 men on board of them were drowned. Eighty crafts of various descriptions were sunk in the river Elbe.

### Carroll's Plaster

JACKSONVILLE, Feb. 14.—In the case of Jackson county against George E. Bloomer, the defaulting county treasurer, Judge Hanna handed down a decision in chambers today adverse to the county, upon the limitations of the complaint.

### Six Mills Higher Than Tax

OREGON CITY, Feb. 14.—The tax roll of Clackamas county has been turned over to Sheriff Ganong, who has begun collecting taxes for 1893. The levy which is being collected is 21 mills, which includes a 2 mill road tax. It is the lowest that has been made in the county for 10 years.

ABSOLUTELY PURE

THE CENTURY AND ST. NICHOLAS.

SEE HERE

Our readers do not need to be told what the Century Magazine is. It is a great work in any sense. For 1894 it will be greater than ever. 2000 pages of choice literature with 1000 illustrations. There will be a new novel by Mar. Twain, important expeditions, hunting of fierce game, artists' adventures, tramping with tramps, unpublished essays of James Russell Lowell, etc.

The St. Nicholas is the prince of children's magazines, the best of all of them. A feature of the 1894 number will be Tom Sawyer Abroad by Mark Twain, a natural history series, a series on American authors, stories of India by Rudyard Kipling, recollections of wild life, papers on the government and some beautiful serial stories, as well as the famous Brownies.

The price of the Century is 35 cents a number, \$4.00 a year; of St. Nicholas, \$3.00 a year. Any subscriber of the DEMOCRAT for good standing may secure the Century for \$3.50 or the St. Nicholas for \$2.50, by leaving the money at this office. We will do the rest.

### TRIBUTE

While it is over thirty years ago since Alcock's Porous Plasters were first introduced to the medical profession and public, the marked success and unprecedented popularity which they met with not only continues, but steadily increases. No other plasters have been produced which gain so many testimonials of high value as those continuously accorded to Alcock's Porous Plasters, and the only motive for these exceptional tributes lies in fact of their being a medicinal and pharmaceutical preparation of superior value. Additional proof of the true value of Alcock's Porous Plasters lies in the fact that they are being largely imitated by unscrupulous persons, who seek to deceive the public by offering plasters which they claim to be the same, "equal," "as good," "better," "best porous plaster," etc., while it is in general appearance only that they resemble Alcock's. Every one of these so-called porous plasters are imitations of Alcock's Porous Plasters.

Avoid dealers who attempt to palm off inferior and worthless plasters that are purchased by them at low rates for the purpose of substitution.

### Expensive Economy.

Some people begrudge the little money that an Alcock's Porous Plaster costs, and then when they are racked with pain from the soreness arising from a cold, they will spend any amount of money to relieve the pain. If they only had one of these world renowned plasters on hand they would be saved a vast amount of suffering and be considerably richer. At the first sign of stiffness of the joint apply one of these plasters without any delay. The soreness will be greatly relieved at once and soon disappear entirely. It will be money saved to have them on hand, to say nothing of the effort they bring.

Brandreth's Pills contain no irritating matter.

### VERBAL AND INSTRUMENTAL MUSIC.

Miss Hattie Warner, a graduate of the conservatory connected with Gates College, Neb., is prepared to give lessons in vocal and instrumental music to single pupils at reasonable terms. Miss Warner has had a thorough education and is an experienced teacher. Her references are: Prof. H. A. Shorey, William & Trow and Mrs. Jennie Lee.

### Self-Praise.

Self-praise is no recommendation, but there are not times when one must permit a person to tell the truth about himself. When what he says is supported by the testimony of others no reasonable man will doubt his word. Now, to say that Alcock's Porous Plasters are the only genuine and reliable porous plasters made is to say the same in the slightest degree. They have stood the test for over thirty years, and in view of their merits it is only necessary to call attention to the cases they have effected and to the voluntary testimonials of those who have used them. Beware of imitations, and do not be deceived by misrepresentation. Ask for Alcock's, and if no solicitation or explanation induces you to accept a substitute.
