WORLD'S FAIR VIEWS.

An entertainment that appeals irresistibly to men, women and children is the World's Fair Exhibition which will be given at the opera house Tuesday evening, Feb. 20th. Over 150 views, many of them beautifully colored, will be shown with the aid of a powerful stereopticon with dissolving effects, and a calcium light on a canvas screen, containing 450 square feet. The scenes are presented to the spectator with such vivid clearness and fidelity that the looker on seems to be in the very exhibition itself. The majestic buildings, the beautiful grounds, the quiet waters of the Lagoon, the interesting and picturesque features of the Midway Plaisance and the Court of Honor come before the eye in all the splendor of reality in power, while the details of the decorations, the famous paintings and renowned groups of statuary are portrayed in marvellous relief, quite a large collection of views showing the building and exhibits of the midwinter fair at San Francisco will also be exhibited. A succinct but brilliant explanation of the different scenes presented will be given by Mrs. Hester A. Harland, well known throughout the state through her connection with the world's fair commission, and as secretary of the board of lady managers, and through her excellent work in arranging the exhibits of California for the world's fair. General admission, 25 cents; reserved seats, 35 cents.

Eruption of the Skin Cures.

Ed Veaney, Brockville, Ontario, Canada.

"I have used Brandreth's Pills for the past fifteen years, and think them the best cathartic and anti-bilious remedy known. For some five years I suffered with an eruption of the skin that gave me great pain and annoyance. I tried different blood remedies, but, although gaining strength the itching was unrelieved. I finally concluded to take a thorough course of Brandreth's Pills. I took six each night for eight days, then five, four, three, two, one each time by one, and then for one month took one every night, with the happy result that now my skin is perfectly clear and has been so ever since."

To grow old gracefully, one must live temperately, cleanly, methodically; be interested in all that is going on in the world; be cheerful, happy and contented, and above all, keep the blood pure and vigorous by the use of Ayer's Sarsaparilla. Be sure you get Ayer's.

What may be the cause of blanching, the hair may be restored to its original color by the use of that potent remedy Hall's Vegetable Sulfur Hair Renewer.

The Best of Reasons.

The reason why Alcock's Porous Plaster are popular is that they may be relied on to cure:

1. Lame back, sciatica, stiffness or twitching of the muscles.
2. Chest troubles, such as pleurisy, pneumonia, consumption.
3. Indigestion, dyspepsia, flatulency, kidney complaint.

The success, however, will depend upon the genuineness of the plaster used. The popularity of Alcock's Porous Plaster has been so great that multitudes of imitations have sprung up on every hand. The only sure cure is to get the genuine Alcock's Porous Plaster.

Brandreth's Pills improve the digestion, Portland, Sacramento, Los Angeles, Stockton and Salem have the same insurance rates. Albany, Or. Butte and Helena, Montana, Salt Lake City, Tucson, and Walla Walla, Wash. and Spokane, have the same rates.

YES, YOU CAN see the finest line samples for suitings in the state at W. R. Graham's, where he has a tailor with few equals on hand to make them up on short notice. Get the best and most stylish suits of him. A new feature will be the making of ladies' cloaks to order, or the altering of coats to the latest styles, and the repairing of cloaks. Prices are but a trifle more.

THE CENTURY AND ST. NICHOLAS.

Our readers do not need to be told what the Century Magazine is. It is a great work in any sense. For 1894 it will be greater than ever. 2000 pages of choice literature with 1000 illustrations. There will be a new novel by Mark Twain, important expeditions, hunting of fierce game, artists' adventures, tramping with tramps, unpublished essays of James Russell Lowell, etc. The St. Nicholas is the prince of children's magazines, the best of all of them. A feature of the 1894 number will be Tom Sawyer Abroad by Mark Twain, a natural history series, a series on American authors, stories of India by Rudyard Kipling, recollections of wild life, papers on the government and some beautiful serial stories, as well as the famous Brownies.

The price of The Century is 35 cents a number, \$4.00 a year; of St. Nicholas, \$3.00 a year. Any subscriber of the DIXIECHART in good standing may secure The Century for \$3.50 or the St. Nicholas for \$2.50, by leaving the money at this office. We will do the rest.

TRIBUTE.

While it is over thirty years ago since Alcock's Porous Plasters were first introduced to the medical profession and public, the marked success and unprecedented popularity which they met with not only continues, but steadily increases. No other plaster has been produced which gains so many testimonials of high value as these continuously accorded to Alcock's Porous Plasters, and the only motive for these exceptional tributes lies in fact of their being a medicinal and pharmaceutical preparation of superior value. Additional proof of the true value of Alcock's Porous Plasters lies in the fact that they are being largely imitated by unscrupulous persons, who seek to deceive the public by offering plasters which they claim to be the same, 'equal,' 'as good,' 'better,' 'best porous plaster,' etc., while it is in general appearance only that they resemble Alcock's. Every one of the so-called porous plasters are imitations of Alcock's Porous Plasters.

Avoid dealers who attempt to palm off inferior and worthless plasters that are purchased by them at low rates for the purpose of substitution.

Expensive Economy.

Some people begrudge the little money that an Alcock's Porous Plaster costs, and then when they are racked with pain from the soreness arising from a cold, they will spend any amount of money to relieve the pain. If they only had one of these world-renowned plasters on hand they would be saved a vast amount of suffering and be considerably richer. At the first sign of stiffness of the joints apply one of these plasters without any delay. The soreness will be greatly relieved at once and soon disappear entirely. It will be money saved to have them on hand, to say nothing of the comfort they bring.

Brandreth's Pills contain no irritating matter.

VOCAL AND INSTRUMENTAL MUSIC.

Miss Hattie Warner a graduate of the conservatory connected with Gates College, Neb., is prepared to give lessons in vocal and instrumental music to single pupils or classes, at reasonable terms. Miss Warner has had a thorough education and is an experienced teacher. Her references are: Prof. H. A. Shorey, William S. Frow and Mrs. Jennie Lee.

Self Praise.

Self praise is no recommendation, but there are not times when one must permit a person to tell the truth about himself. When what he says is supported by the testimony of others, no reasonable man will dispute his word. Now, to say that Alcock's Porous Plasters are the only genuine and reliable porous plasters made is to self-praise to the slightest degree. They have stood the test for over thirty years, and in proof of their merit it is only necessary to call attention to the cures they have effected and to the voluntary testimonials of those who have used them. Beware of imitations, and do not be deceived by misrepresentation. Ask for Alcock's, and let a solicitation or explanation induce you to accept a substitute.

Huckingham's Ointment for the Whiskers does its work thoroughly, coloring a firm brown & black, which, with the regular wash off, will not fall loose.
