

## "Only the Scars Remain,"

Says HENRY HUDSON, of the James Smith Woolen Machinery Co., Philadelphia, Pa., who certifies as follows:

"Among the many testimonials which I see in regard to certain medicines performing cures, cleansing the blood, etc., none impress me more than my own case. Twenty years ago, at the age of 18 years, I had swellings come on my legs, which broke and became running sores. Our family physician could do me no good, and it was feared that the bones would be affected. At last, my good old

**Mother Urged Me**  
to try Ayer's Sarsaparilla. I took three bottles, the sores healed, and I have not been troubled since. Only the scars remain, and the memory of the past, to remind me of the good Ayer's Sarsaparilla has done me. I now weigh two hundred and twenty pounds, and am in the best of health. I have been on the road for the past twelve years, have noticed Ayer's Sarsaparilla advertised in all parts of the United States, and always take pleasure in telling what good it did for me."

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical profession. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers, that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.

**Expensive Economy.**  
Some people begrudge the little money that an Alcock's Porous Plaster costs, and then when they are racked with pain from the soreness arising from a cold, they will spend any amount of money to relieve the pain. If they only had one of these world-renowned plasters on hand they would be saved a vast amount of suffering and be considerably richer. At the first sign of stiffness of the joints apply one of these plasters without any delay. The soreness will be greatly relieved at once and soon disappear entirely. It will be money saved to have them on hand, to say nothing of the comfort they bring.

Brandreth's Pills contain no irritating matter.

**MUCH MADE.**—Money stringency is not the only cause of hard times, and it takes very little money to make a good deal of happiness, as the following shows. Mr R. B. Kyle, Tower Hill, Appomattox County, Va., writes that he was afflicted with rheumatism for several years, and physicians gave him no relief. Finally he was rubbed all over with St. Jacobs Oil and it cured. During his illness he had spasms and was not expected to live. This points a way to many who think times hard, but who can find an easy way out of their troubles.

To grow old gracefully, one must live temperately, calmly, methodically; be interested in all that is going on in the world; be cheerful, happy and contented, and above all, keep the blood pure and vigorous by the use of Ayer's Sarsaparilla. Be sure you get Ayer's.

"Now is the winter of our discontent made glorious summer" by Ayer's Sarsaparilla. This wonderful medicine so invigorates the system and enriches the blood that cold weather becomes positively enjoyable. Arctic explorers would do well to make a note of this.

Ed Veaney, Brockville, Ontario, Canada says: "I have used Brandreth's Pills for the past fifteen years, and think them the best cathartic and anti-bilious remedy known. For some five years I suffered with an eruption of the skin that gave me great pain and annoyance. I tried different blood remedies, but, although gaining strength the itching was unrelieved. I finally concluded to take a thorough course of Brandreth's Pills. I took six each night for eight, then five, four, three, two, lessening each time by one, and then for one month took one every night, with the happy result that now my skin is perfectly clear and has been so ever since."

### A Brave Engineer.

St. Joseph, Mo., March 2.—Engineer James McKinney, of the Rock Island, saved his company heavy loss tonight. Passenger train No. 18, east bound, Conductor J. A. Wisner, left the Union depot at 7:25 P. M. As the train glided into a cut three miles east of here a red light flashed across the track. McKinney saw several men with guns. He pulled the throttle wide and jumped down into the bottom of the cut, and not a minute too soon, for the robbers fired a volley into the engine and cab, but hurt no one. The train dashed through a shower of bullets. The bandits firing into the coaches as they passed. When the train reached Stockbridge it was found over 100 bullets had hit it.

### In the Senate.

WASHINGTON, March 2.—The democratic majority of the senate committee on finance gave the entire day to the senators who advocated changes in the Wilson bill as amended by the senate subcommittee on tariff. Senator Hill was the first admitted. He pleaded for protection on the manufacturing interests of New England and New York, as no New England state is represented by a democratic senator. A large part of the day was given to a discussion of the income tax, and the changes made by the committee from specific to ad valorem duties.

### Will Be Divided.

S. LEM, March 2.—In pursuance of an act passed at the last session of the legislature, the secretary of state will Monday next divide all the proceeds of the 5 per cent county fund now in the state treasury and the direct tax fund among the several counties of the state, according to their population. Last year there was about \$65,000, but this year there is not so much, probably not to exceed \$40,000.

### Louise Rockwell Dead.

PRITCHARD, March 2.—Miss Louise Kellogg, the actress shot by Pitcher McNabb Wednesday night at the Hotel Eiffel died this morning. Her husband, W. E. Rockwell, was notified yesterday and left California for this city at once. McNabb's body was shipped to his old home at Mt Vernon, O., last evening.

### A Big Fire.

BUFFALO, N. Y., March 3, 4:30 A. M.—A general alarm has been rung in from fire department headquarters. The fire started in the Atlas oil refinery, owned by the Standard Oil Company. The plant is valued at \$1,500,000 and will be totally destroyed. Five hundred men are employed at the works.

## Highest of all in Leavening Power.—Latest U. S. Gov't Report.

# Royal Baking Powder

ABSOLUTELY PURE

While it is over thirty years ago since Alcock's Porous Plasters were first introduced to the medical profession and public, the marked success and unprecedented popularity which they met with not only continues, but steadily increases. No other plasters have been produced which gain so many testimonials of high value as those continuously accorded to Alcock's Porous Plasters, and the only motive for these exceptional tributes lies in fact of their being a medicinal and pharmaceutical preparation of superior value. Additional proof of the true value of Alcock's Porous Plasters lies in the fact that they are being largely imitated by unscrupulous persons, who seek to deceive the public by offering plasters which they claim to be the 'same,' 'equal,' 'as good,' 'better,' 'best porous plaster,' etc., while it is in general appearance only that they resemble Alcock's. Every one of the so-called porous plasters are imitations of Alcock's Porous Plasters.

Avoid dealers who attempt to palm off inferior and worthless plasters that are purchased by them at low rates for the purpose of substitution.

### Self Praise.

Self praise is no recommendation, but there are not times when one must permit a person to tell the truth about himself. When what he says is supported by the testimony of others no reasonable man will doubt his word. Now, to say that Alcock's Porous Plasters are the only genuine and reliable porous plasters made is not self praise in the slightest degree. They have stood the test for over thirty years, and in proof of their merits it is only necessary to call attention to the cures they have effected and to the voluntary testimonials of those who have used them. Beware of imitations, and do not be deceived by misrepresentation. Ask for Alcock's, and let no solicitation or explanation induce you to accept a substitute.

Thin or gray hair and bald heads, so displeasing to many people as marks of age, may be averted for a long time by using Hall's Hair Renewer.

### The Best of Reasons.

- The reason why Alcock's Porous Plasters are popular is that they may be relied on to cure:  
1. Lame back, sciatica, stiffness or twitching of the muscles.  
2. Chest troubles, such as pleurisy, pneumonia, consumption.  
3. Indigestion, dyspepsia, flatulency, kidney complaint.

The success, however, will depend upon the genuineness of the plaster used. The popularity of Alcock's Porous Plaster has been so great that multitudes of imitations have sprung up on every hand. The only sure cure is to get the genuine Alcock's Porous Plasters.

Brandreth's Pills improve the digestion, Portland, Sacramento, Los Angeles Stockton and Salem have the same insurance rates. Albany, Or. Butte and Helena, Montana, Salt Lake City, Tacoma, and Walla Walla, Wash, and Spokane, have the same rates.
