AYER'S SARSAPARILLA

S. T. SMITH, of Towanda, Pa., whose constitution was completely broken down, is cured by Ayer's Sarsaparilla. He writes:

"For eight years, I was, most of the time, a great sufferer from constipation, kidney troubles, and indigestion, so that my constitution seemed to be completely broken down. I was reduced to try Ayer's Sarsaparilla, and took nearly seven bottles, with such excellent results that my stomach, bowels, and kidneys are in perfect condition, and, in all their functions, as regular as clock-work. At the time I began taking Ayer's Sarsaparilla, my weight was only 120 pounds; I now weigh 170 pounds, and was never in so good health. If you could see me before and after using, you would want me for a traveling advertisement. I believe this preparation of Sarsaparilla to be the best in the market to-day."

WHERE DEFENSE IS NEEDED

Gen Black's defense of commissioner of Penalties Lochern in the House on Saturday was eloquent and convincing, but it was superfluous. Judge Lochern needs no defense. He has simply done his duty as an honest man and trusted official in trying to purge the pension roll of the cheats and frauds that dishonor it. What needs defense is the recent act of Congress designed to hinder the Commissioner in his good work by compelling the payment of pensions after fraud has been proved and when the person convicted of fraud may be actually served. This law has not even the poor excuse of ignorance. It was enacted as a sop to the clamorous pension sharks and the irascible Senators and Congressmen who have been for years long tugging the Treasury under pretense of patriotism, but really for the demagogic purpose of "the soldier vote" for their own benefit. Commissioner Lochern is all right. It is Congress that needs all the eloquence that Gen Black or any other apologist can muster in its defense.

PROHIBITION PARTY COUNTY CONVENTION.

The County Convention of the Prohibition party for Linn county will convene at the Court House on Saturday, April 14th, 1894, at 1 o'clock p.m., for the purpose of nominating a county ticket and transacting of such other business as may properly be brought before the convention. All prohibitionists of Linn county who voted the prohibition party ticket in 1892 and who intend to support the same in the ensuing election will be entitled to seats as delegates in the convention. Every prohibitionist in Linn county is earnestly and cordially invited to attend. T. P. HACKLEMAN, chairman of Linn County Central Committee.

Expensive Economy.

Some people begrudge the little money that an Alcock's Porous Plaster costs, and then when they are racked with pain from the soreness arising from a cold, they will spend any amount of money to relieve the pain. If they only had one of these world renowned plasters on hand they would be saved a vast amount of suffering and be considerably richer. At the first sign of stiffness of the joint apply one of these plasters without any delay. The soreness will be greatly relieved at once and soon disappear entirely. It will be money saved to have them on hand, to say nothing of the comfort they bring.

For all derangements of the throat and lungs, Ayer's Cherry Pectoral is the speediest and most reliable remedy. Even in the advanced stages of Consumption, this wonderful preparation affords great relief, checks coughing, and induces sleep.

To preserve a youthful appearance as long as possible, it is indispensable that the hair should retain its natural color and fullness. There is no preparation so effective as Ayer's Hair Vigor. It prevents baldness, and keeps the scalp clean, cool, and healthy.

Bound to Die
SPOKANE, March 11.—Edwin K Sturgis committed suicide today in a most determined manner. Descending to the Spokane river, he leaped into the stream from a rocky shelf, firing a revolver as he made the leap. The water was too shallow, and he waded out till it reached his chin. Then he sent a bullet through his brain. The body was recovered an hour later. Sturgis was a money-lender. Just before he killed himself he made a will, leaving \$10,000 to his brother in Quincy, Ill. Despondency over his hapless, superinduced by heavy drinking, was the fatal influence.

After Chinamen
LOS ANGELES, Cal. March 11.—Five Chinese and four Italian orange-pickers and packers working at the ranch of Frank Bouchard at Los Nietos, across the Los Angeles river from Livera, were driven off the ranch and out of the locality last night by a mob of men and boys heavily armed with guns and clubs. The rioters are supposed to be Mexicans, who have objected to the Bouchards hiring Chinese.

After an Inland Paper
INDIANAPOLIS, March 11.—An attempt was made to blow up the office of the Inland, an inland paper published in this city, Saturday night. The miscreants entered the office through the cellar, and after turning on the natural gas in two stoves, lighted a lamp. The expected explosion was prevented, however, by the arrival of the editor of the paper, who turned out the gas.

A Widely Item
WASHINGTON, March 11.—A Buffalo, N. Y. man will succeed Stagg as receiver of the Oregon National bank. When Eckels determined to go outside of Oregon to find a man for the place, he asked Cleveland if he had anyone he would like appointed. Of course he had a Buffalo friend, an anti-snapper and pronounced enemy of Hill. This receivership was just what would suit and Eckels will gladly name him. He will also be referee in Oregon appointments where the democrats cannot agree.

Splitting Up
CINCINNATI, March 11.—A rumor prevails here in Knights of Labor circles, and it has been semi-officially corroborated in Quebec, Montreal and parts of Ontario, Canada, that 10,000 Knights of Labor will secede from the order because of dissatisfaction with Grand Master Sovereign, and start an independent branch of the order.

A Private Affair
NEW YORK, March 10.—Senator Hill was asked tonight if there was any truth in the report that he is engaged to be married to Miss Kitty Scott, niece of Vice-President Stevenson. He smiled and said: "That's something of which I am not talking."

THE MODERN WAY
Comments itself to the well formed, to do pleasantly and effectually what was formerly done in the crudest manner and disagreeably as well. To cleanse the system and break up colds, headaches and fevers without unpleasant after effects, use the delightful liquid laxative remedy, Syrup of Figs.

TRIBUTE.
While it is over thirty years ago since Alcock's Porous Plaster was first introduced to the medical profession and public, the marked success and unprecedented popularity which they met with not only continues, but steadily increases. No other plasters have been produced which gain so many testimonials of high value as those continuously accorded to Alcock's Porous Plasters, and the only motive for these exceptional tributes lies in fact of their being a medicinal and pharmaceutical preparation of superior value. Additional proof of the true value of Alcock's Porous Plasters lies in the fact that they are being largely imitated by unscrupulous persons, who seek to deceive the public by offering plasters which they claim to be the same, equal, as good, better, best porous plaster, etc., while it is in general appearance only that they resemble Alcock's. Every one of the so-called porous plasters are imitations of Alcock's Porous Plasters.

Avoid dealers who attempt to pilfer inferior and worthless plasters that are purchased by them at low rates for the purpose of substitution.

Self Praise.
Self praise is no recommendation, but there are not times when one must permit a person to tell the truth about himself. When what he says is supported by the testimony of others no reasonable man will doubt his word. Now, to say that Alcock's Porous Plasters are the only genuine and reliable porous plasters made is not self praise in the slightest degree. They have stood the test for over thirty years, and in proof of their merits it is only necessary to call attention to the cures they have effected and to the voluntary testimonials of those who have used them. Beware of imitations, and do not be deceived by misrepresentation. Ask for Alcock's, and let no solicitation or explanation induce you to accept a substitute.

The Best of Reasons.
The reason why Alcock's Porous Plasters are popular is that they may be relied on to cure:

1. Lame back, stiffness or twitching of the muscles.
2. Chest troubles, such as pleurisy, pneumonia, consumption.
3. Indigestion, dyspepsia, anasarca, kidney complaint.

The success, however, will depend upon the genuineness of the plaster used. The popularity of Alcock's Porous Plaster has been so great that multitudes of imitations have sprung up on every hand. The only sure cure is to get the genuine Alcock's Porous Plasters.

Brandreth's Pills improve the digestion. Portland, Sacramento, Los Angeles, Stockton and Salem have the same insurance rates. Albany, Or, Butte and Helena, Montana, Salt Lake City, Tacoma, and Walla Walla, Wash, and Spokane, have the same rates.

This ointment for bald heads, so dispelling to many people as matter of age, may be averted for a long time by using Hall's Hair Renewer.

Don't waste time, money, and health trying every new medicine you may see advertised in the papers. If the cause of your trouble is in the blood, liver, stomach, or kidneys, take Ayer's Sarsaparilla at once, and be sure of a cure. Take no other.

There is no claim made for Ayer's Sarsaparilla which cannot be endorsed by scores of testimonials. This fact plainly proves that the blood is the source of most disorders and that Ayer's Sarsaparilla is the best of blood purifiers. Try it this month.
