The Oregonian mentions Hon Geo E Chamberlain of Albany as a candidate for Secretary of State. Hon Jeff Meyers and Hon J K Weatherford, of this county for state treasurer...

HOME AND ABROAD

There have been 152 conversions in a revival at Dallas.

The Idaho building at the world's fair has been sold for \$4000; it originally cost \$25000. It will be taken to New York state, for a country residence.

The school election was in progress this afternoon. Hon J K Weatherford and John Fosbury were the candidates for director director. C H Stewart and F E Allen were being run for clerk.

James C Scott, the harness maker, was arrested this morning by Deputy U S Marshal George Humphrey on the charge of sending an obscene letter to Mrs Jans Compton.

Dr Pearson, of Chicago, offers to give \$100,000 to the Pacific University, of Forest Grove, provided its friends give \$100,000 more. His \$100,000 is evidently safe.

The populists of Linn county are modest fellows. They have four candidates for state officers, Dr J L Hill, for governor, B F Ramp, for congressman, C B Montague, for secretary of State, and George Alexander, for state printer.

The Press Times of Seattle says that Governor Sylvester Pennoyer of Oregon, is a square-shouldered, well-built man of some 60 odd years. He might be mistaken in a crowd for either a Methodist camp-meeting exhorter, a Texas cattleman or pro-ferous logger.

Frank J Darby, ticket agent of the Southern Pacific in East Oakland, Calif, and James B Young, a gateman on the local train, had some words about 7 o'clock Saturday morning, which ended by Young striking Darby over the head with a lantern.

EVANGELISTIC SERVICES will be continued during the ensuing week at the United Presbyterian church, and a bible reading will be held each afternoon at 3 o'clock.

On yesterday morning President Condit preached to a good audience, from the parable of the ten virgins. He presented the truth most clearly, but gave a somewhat different rendition of the parable from what we usually hear.

A large audience greeted Rev Little in the evening; his sermon was most forcible and convincing. The subject "The unpardonable sin," this sin was clearly defined as being the continuous, scornful wilful rejection of the Lord Jesus Christ.

It is the work of the Holy Spirit to convince men of sin, to teach them of righteousness. He leads them by natural ways, but if they will not listen to his promptings and turn a deaf ear to them, time and time again rejecting the truth, they grieve away the Holy Spirit and are left in darkness to their self chosen fate.

Mr Little last evening cannot fail in leaving their impress upon the hearts and minds of his hearers.

A cordial invitation is extended to all persons to come to these meetings, particularly those who have not found the light are urged to attend.
