ALBANY, OREGON TUESDAY MARCH 13, 1894.

NO 262

S. P. SMITH, of Townsda, Pa., whose constitution was completely broken down, is cured by Ayer's Sarsaparilla. He writes:

"For eight years, I was, most of the time, a great sufferer from constipation, kidney trouble, and indigestion, so that my constitution seemed to be completely broken down. I was induced to try Ayer's Sarsaparilla, and took nearly seven bottles, with such excellent results that my stomach, bowels, and kidneys are in perfect condition, and, in all their functions, as regular as clock-work. At the time I began taking Ayer's Sarsaparilla, my weight was only 120 pounds; I now can weigh 150 pounds, and was never in so good health. If you could see me before and after using, you would want me for a traveling advertisement. I believe this preparation of Sarsaparilla to be the best in the market to day."

All prohibitionists of Linn county who voted the prohibition party ticket in 1892 and who intend to support the same in the ensuing election will be entitled to seats as delegates in the convention. Expensive Economy.

Some people begrudge the little money that an Alcock's Pectoral Plaster costs, and then when they are racked with pain from the soreness arising from a cold, they will spend any amount of money to relieve the pain. If they only had one of these world famous plasters on hand they would be saved a vast amount of suffering and be considerably richer. At the first sign of stiffness of the joints apply one of these plasters without any delay. The soreness will be greatly relieved at once and soon disappear entirely. It will be money saved to have them on hand, to say nothing of the comfort they bring.

For all derangements of the throat and lungs, Ayer's Cherry Pectoral is the speediest and most reliable remedy. Even in the advanced stages of Consumption, this wonderful preparation affords great relief, checks coughing, and induces sleep.

To preserve a youthful appearance as long as possible, it is indispensable that the hair should retain its natural color and fullness. There is no preparation so effective as Ayer's Hair Vigor. It prevents baldness, and keeps the scalp clean, cool, and healthy.

Sulphur's Cure, the great cough and croup cure, is for sale by us. Packed size contains twenty-five doses only 25c. Children love it and it cures.

Thousands of lives are saved annually by the use of Ayer's Pectoral. In the treatment of croup and whooping cough, the Pectoral has a most marvelous effect. It allays inflammation, frees the obstructed air passage and controls the desire to cough.

Elderly people remember their spring blisters with a shudder. The present generation have much to be thankful for, not the least of their blessings being such a pleasant and thoroughly effective spring medicine as Ayer's Sarsaparilla. It is a

A Child Enjoys

The pleasant flavor, gentle action and soothing effect of Syrup of Figs, when in need of a laxative, and if the father or mother be costive or bilious, the most gratifying results follow its use; so that it is the best family remedy known and every family should have a bottle.

Shiloh's Vitallizer is what you need for dyspepsia, torpid liver, yellow skin or kidney trouble. It is guaranteed to give you satisfaction. Price 75c. Sold by Foshay & Mason.

The Best of Reasons.

The reason why Alcock's Porous Plaster are popular is that they may be relied on to cure.

1. Lameness, sciatica, stiffness or swelling of the muscles.

2. Chest troubles, such as pleurisy, pneumonia, consumption.

3. Indigestion, dyspepsia, anorexia, kidney complaint.

The success, however, will depend upon the genuineness of the plaster used. The popularity of Alcock's Porous Plaster has been so great that multitudes of imitations have sprung up on every hand. The only sure cure is to get the genuine Alcock's Porous Plaster.

Brander's Pills improve the digestion. Portland, Scranton, Los Angeles, Stockton and Salem have the same insurance rates. Albany, Or., Butte and Helena, Montana, Salt Lake City, Tacoma, and Walla Walla, Wash. and Spokane, have the same rates.

There is no claim made for Ayer's Sarsaparilla which cannot be endorsed by scores of testimonials. This fact plainly proves that the blood is the source of most disorders and that Ayer's Sarsaparilla is the best of blood purifiers. Try it this month.

A Tame Affair.

LONDON, March 12.—The opening of the new session of parliament was a very tame affair, so far as any manifestation of public interest was concerned, and, indeed, the lords and the commons seemed to share the indifference in a large degree. Very few peers were in attendance, and when the house of commons was summoned to hear the reading of the speech from the throne only about 50 members walked to the house of lords in response.

The War Ended.

WASHINGTON, March 12.—Advices received at the state department late this afternoon from Minister Thompson at Rio Janeiro, indicate that the Brazilian rebellion is about ended. The dispatches contain the information that Admiral da Gama went aboard the Portuguese war vessel Mindelo, and sent to President Peixoto, by a Portuguese officer, an offer of surrender on condition of full protection for himself and followers.

A Pioneer Dead.

ASTORIA, March 12.—Word was received from Skipanon today that W. W. Raymond, a pioneer of 1840, died at his home near that place on Saturday afternoon. The immediate cause of death was paralysis. Mr. Raymond, who leaves six of his sons and daughters, belonged to the "Mission family." He was 79 years of age.

Electrocuted.

BALTIMORE, March 12.—Arthur Reese, the chief electrocuted this afternoon. Reese was to have delivered a lecture on electricity before the Epworth League of the Methodist Episcopal church, this evening, and was preparing his apparatus when the accident occurred. He was assisted in connecting up an electric light by Albert Egeberg. Reese instructed Egeberg to turn on the current. The latter saw a flash and hurrying across the church found Reese lying dead on the floor.

Peters Bill.

WASHINGTON, March 12.—Senator Peffer today introduced an independent tariff measure in the senate. It amends the McKinley law in some particular and revises the internal revenue law. It amends the income tax in accordance with the populist graduated proposition in the house, and includes justices of the supreme court and other federal judges in the list to be taxed.

Justice White.

WASHINGTON, March 12.—Edward Douglas White, of Louisiana, was installed as an associate justice of the United States supreme court at noon today.
