THE SUPERIOR BLOOD PURIFIER. CURES OTHERS WILL CURE YOU. PERFECT DIGESTION. SOUND SLEEP. LONG LIFE. VITALITY. STRONG NERVES. PURE BLOOD. CLEAR SKIN. HEALTH. MENTAL ENERGY.

S. P. SMITH, of Towanda, Pa., whose constitution was completely broken down, is cured by Ayer's Sarsaparilla. He writes: "For eight years, I was, most of the time, a great sufferer from constipation, kidney trouble, and indigestion, so that my constitution seemed to be completely broken down. I was induced to try Ayer's Sarsaparilla, and took nearly seven bottles, with such excellent results that my stomach, bowels, and kidneys are in perfect condition, and in all their functions, as regular as clock-work. At the time I began taking Ayer's Sarsaparilla, my weight was only 120 pounds; I now can weigh 139 pounds, and was never in so good health. If you could see me before and after taking, you would want me for a traveling advertisement. I believe this preparation of Sarsaparilla to be the best in the market to-day."

**The Best of Reasons.**  
The reason why Alcock's Porous Plasters are popular is that they may be relied on to cure:  
1. Lame back, sciatica, stiffness or twitching of the muscles.  
2. Chest troubles, such as pleurisy, pneumonia, consumption.  
3. Indigestion, dyspepsia, flatness, kidney complaint.  
The success, however, will depend upon the genuineness of the plaster used. The popularity of Alcock's Porous Plaster has been so great that millions of imitations have sprung up on every hand. The only sure cure is to get the genuine Alcock's Porous Plasters.  
Brandreth's Pills may cure the indigestion, Paralytic, Scarcents, Los Angeles Stevedores and Salem have the same insurance rates. Albany, Or. Butte and Helena, Montana, Salt Lake City, Tacoma, and Walla Walla, Wash. and Spokane, have the same rates.  
There is no claim made for Ayer's Sarsaparilla which cannot be endorsed by scores of testimonials. This fact plainly proves that the blood is the source of most disorders and that Ayer's Sarsaparilla is the best of blood purifiers. Try it this month.

**Fun in Denver.**  
DENVER, March 15.—(This has been a day of intense excitement in Denver. Scenes unparalleled in the history of the city have been witnessed. Governor Waite, of "blood-to-the-horses" fame, called out the First regiment and the Chaffee light artillery to attack the city hall and drive therefrom the reform police commissioners, who defied his power. The commissioners were entrenched behind barricaded doors and surrounded by hundreds of armed policemen and deputy sheriffs ready to do their bidding. Nothing was done and the troops were withdrawn. Threatening demonstrations have been made against Governor Waite, who remains at his residence under a military guard. He was reported to have been alarmed as to his safety before the arrival of the United States troops.

**Expensive Economy.**  
Some people begrudge the little money that an Alcock's Porous Plaster costs, and then when they are racked with pain from the soreness arising from a cold, they will spend any amount of money to relieve the pain. If they only had one of these world renowned plasters on hand they would be saved a vast amount of suffering and be considerably richer. At the first sign of stiffness of the joints apply one of these plasters without any delay. The soreness will be greatly relieved at once and soon disappear entirely. It will be money saved to have them on hand, to say nothing of the comfort they bring.

**THE READER OF THIS PAPER WILL BE PLEASED TO LEARN THAT THERE IS A NEW AND DIVERSED DISCOVERY THAT SCIENCE HAS BEEN ABLE TO CURE IN ALL ITS STAGES, AND THAT IS CATARRH.** Hall's Catarrh Cure is the only medicine known to the medical profession, that cures a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers, that they offer One Hundred Dollars for any case that fails to cure. Send for list of testimonials. Address, F. J. CHENEY & CO., Toledo, O. **TRIBUTE.**  
While it is over thirty years ago, since Alcock's Porous Plasters were first introduced to the medical profession and public, the marked success and unprecedented popularity which they met with not only continues, but steadily increases. No other plaster has been produced which gain so many testimonials of high value as these continuously accorded to Alcock's Porous Plasters, and the only reason for their exceptional value is the fact of their being a medicinal and pharmaceutical preparation of superior value. Additional proof of the true value of Alcock's Porous Plasters lies in the fact that they are being largely imitated by unscrupulous persons, who seek to deceive the public by offering plasters which they claim to be the same, "equal," "as good," "better," "best porous plaster," etc. while it is in general appearance only that they resemble Alcock's. Every one of the so-called porous plasters are imitations of Alcock's Porous Plasters.  
Avoid buyers who attempt to obtain a inferior and worthless plaster that is purchased by them at low rates for the purpose of substitution.
