AYER'S SARSAPARILLA

S. P. SMITH, of Towanda, Pa., whose constitution was completely broken down, is cured by Ayer's Sarsaparilla. He writes:

"For eight years, I was, most of the time, a great sufferer from constipation, kidney trouble, and indigestion, so that my constitution seemed to be completely broken-down. I was reduced to try Ayer's Sarsaparilla, and took nearly seven bottles, with such excellent results that my stomach, bowels, and kidneys are in perfect condition, and, in all their functions, as regular as clock-work. At the time I began taking Ayer's Sarsaparilla, my weight was only 129 pounds; I now can weigh 139 pounds, and was never in so good health. If you could see me before and after using, you would want me for a traveling advertisement. I believe this preparation of Sarsaparilla to be the best in the market to-day."

As a result of the troubles in South Carolina, growing out of the conflict between the state authorities and the federal courts over the collection of taxes from railroads in the hands of receivers, the house judiciary committee has agreed on a bill which provides that taxes assessed by state, county or municipal authorities against corporate property shall not be classed as debts, to be passed upon in the first instance by any United States court, but shall be collectable by the proper local authorities, whether in the hands of a receiver or not, and a tax sale under such circumstances shall effect the removal of such property from the jurisdiction of the court and receiver. The ordinary rights of application for an abatement of tax are not interfered with.

WASHINGTON, March 16.—The silver seigniorage bill, which passed the senate yesterday, will not go to the president until Monday. The senate not being in session today, the vice president cannot sign it until that body meets again Monday. It was, however, presented to Speaker Crisp today, and received his signature. Representative Bland called on the president today and urged him to sign the silver seigniorage bill. The president listened courteously to Mr Bland's arguments in favor of signing, but did not commit himself.

The Situation at Denver

DENVER, Col., March 16.—This evening Governor Waite announced that the proposition made to him this afternoon by attorneys for the deposit commissioners to submit to the supreme court the question of their rightful claim to the office of commissioners, would probably be accepted by him, but up to a late hour he had not given his final decision. No disturbance occurred during the day, but the militia is ready to assemble at a moment's notice.

A Murder

TACOMA, March 16.—William Cushman and W W Russell, farmers, were shot this morning at Lake Tapps, near this city, by John Arcott and his son. Cushman was killed and Russell badly wounded. Both of the Arcotts surrendered to the sheriff this afternoon. The crime grew out of a fight over a county road at Lake Tapps, which has kept the entire settlement in that section at a war for many months.

The Tammanyites

NEW YORK, March 16.—The exodus of prominent Tammanyites from the city seems to continue. Yesterday Police Commissioner John C. Sheehan and his law partner, ex-Judge Edward Browne, who is counsel to the excise board, joined the procession. At Mr Sheehan's office it was said that his destination was unknown, and that he would be gone for at least a week. Alderman Martin has also taken a travel.

Disatisfied Miners

SEATTLE, March 16.—The Seattle Coal & Iron Company has made a 10 to 12 per cent cut in the wages of its employees at the Gilman mines, and, as a result, trouble is threatened, though none is expected. The cut affects about 300 men, and the Italians employed in the mines are wild and threatening.

Prohibitionists and Democrats Combine

DES MOINES, March 16.—The prohibitionists registered two great victories in the general assembly today. The senate defeated the Carpenter local option bill by a vote of 35 to 12, and the house killed the committee bill for municipal and local option by a vote of 42 to 38. The democrats voted with the prohibitionists, the republicans against both.

PROHIBITION PARTY COUNTY CONVENTION

The County Convention of the Prohibition party for Linn county will convene at the Court House on Saturday, April 14th, 1894, at 1 o'clock p. m., for the purpose of nominating a county ticket and transacting of such other business as may properly be brought before the convention. All prohibitionists of Linn county who voted the prohibition party ticket in 1892 and who intend to support the same in the ensuing election will be entitled to seats as delegates in the convention. Every prohibitionist in Linn county is earnestly and cordially invited to attend.

Expensive Economy

Some people begrudge the little money that an Alcock's Porous Plaster costs, and then when they are racked with pain from the soreness arising from a cold, they will spend any amount of money to relieve the pain. If they only had one of these world renowned plasters on hand they would be saved a vast amount of suffering and be considerably richer. At the first sign of stiffness of the joints apply one of these plasters without any delay. The soreness will be greatly relieved at once and soon disappear entirely. It will be money saved to have them on hand, to say nothing of the comfort they bring.

For all derangements of the throat and lungs, Ayer's Cherry Pectoral is the speediest and most reliable remedy.

Even in the advanced stages of Consumption, this wonderful preparation affords great relief, checks coughing, and induces sleep.

\$100 Reward \$100.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers, that they offer One Hundred Dollars for any case that fails to cure. Send for list of testimonials. Address, F. J. CHENEY & CO., Toledo, O. TRIESTE

While it is over thirty years ago since Alcock's Porous Plasters were first introduced to the medical profession and public, the marked success and unprecedented popularity which they met with not only continues, but steadily increases. No other plasters have been produced which gain so many testimonials of high value as those continuously accorded to Alcock's Porous Plasters, and the only motive for these exceptional tributes lies in fact of their being a medicinal and pharmaceutical preparation of superior value. Additional proof of the true value of Alcock's Porous Plasters lies in the fact that they are being largely imitated by unscrupulous persons, who seek to deceive the public by offering plasters which they claim to be the same, "equal," "as good," "better," "best porous plaster," etc., while it is in general appearance only that they resemble Alcock's. Every one of the so-called porous plasters are imitations of Alcock's Porous Plasters.

Avoid Dealers who attempt to sell you inferior and worthless plasters that are purchased by them at low rates for the purpose of substitution.

This gray hair and bald heads, so displeasing to many people as marks of age, may be averted for a long time by using Hall's Hair Renewer.
