

A Racking Cough

Cured by Ayer's Cherry Pectoral. Mrs. P. D. HALL, 217 Genesee St., Lockport, N. Y., says:

"Over thirty years ago, I remember hearing my mother describe the wonderful curative effects of Ayer's Cherry Pectoral. During a recent attack of La Grippe, which assumed the form of a catarrh, soreness of the lungs, accompanied by an aggravating cough, I used various remedies and prescriptions. While some of these medicines partially alleviated the coughing during the day, none of them afforded me any relief from that spasmodic action of the lungs which would seize me the moment I attempted to lie down at night. After ten or twelve such nights, I was

Nearly in Despair,

and had about decided to sit up all night in my easy chair, and procure what sleep I could in that way. It then occurred to me that I had a bottle of Ayer's Cherry Pectoral. I took a spoonful of this preparation in a little water, and was able to lie down without coughing. In a few moments, I fell asleep, and awoke in the morning greatly refreshed and feeling much better. I took a teaspoonful of this Pectoral every night for a week, then gradually decreased the dose, and in two weeks my cough was cured."

The Best of Reasons.

The reason why Alcock's Porous Plaster is popular is that they may be relied on to cure:

1. Lame back, sciatica, stiffness or twitching of the muscles.
2. Chest troubles, such as pleurisy, pneumonia, consumption.
3. Indigestion, dyspepsia, anæmia, kidney complaint.

The success, however, will depend upon the genuineness of the plaster used. The popularity of Alcock's Porous Plaster has been so great that multitudes of imitations have sprung up on every hand. The only sure cure is to get the genuine Alcock's Porous Plaster.

Brandreth's Pills improve the digestion. Portland, Sacramento, Los Angeles Stockton and Salem have the same insurance rates. Albany, Or. Bette and Helena, Montana, Salt Lake City, Tacoma, and Walla Walla, Wash. and Spokane, have the same rates.

A Bedlam.
LONDON, March 18.—The trades unionists' demonstration in favor of the employers' liability bill, and against the house of lords, was in progress all this afternoon. It transformed London between the Thames embankment and the further side of Hyde Park into an indescribable bedlam. The whole district was filled with workmen and paupers, brass bands, processions, banners and truckloads of spectators. The weather was discouraging.

A Serious Report.
SEATTLE, March 18.—A report was received tonight that the Great Northern freight train, which left Spokane Saturday night, had been struck by a snowslide near Skokomish and swept bodily over an embankment 150 feet. Six men are said to have been killed, while the train was said to have gone entirely out of sight under the side in the valley. None of the local officials of the road know anything of the accident, and they express doubt as to the truth of the report.

Troops Withdrawn.
DENVER, March 18.—General McCook today withdrew the federal troops from the city to Fort Logan. The proceedings against Mayor Van Horn and Police Commissioners Rogers, Barnes and Mullins for contempt of court, in having violated the injunction issued by Judge Graham on behalf of Martin and Orr, will come up before Judge Gilman tomorrow morning.

Seven Negroes Killed.
LONGVIEW, Tex., March 18.—A cyclone swept over this place at 1 o'clock this morning, accompanied by hailstones of immense size. The greatest fury was six miles east of here, where it struck the large country home of John Cain, lately occupied by a large family of negroes. The house was in an ancient grove of oaks, 20 in number. Every one of them was uprooted and piled up in terrible confusion, with dead fowls, dogs and cows, and six dead negroes.

Things Did It.
TACOMA, March 18.—Louis Marx the German restaurant keeper who was attacked by robbers and struck on the head with a stick of stove-wood, still lives, though he has never for a moment regained consciousness. The doctors have different opinions as to his chances of living. Some say he will live and others that he will die.

Expensive Economy.

Some people begrudge the little money that an Alcock's Porous Plaster costs, and then when they are racked with pain from the soreness arising from a cold, they will spend any amount of money to relieve the pain. If they only had one of these world renowned plasters on hand they would be saved a vast amount of suffering and be considerably richer. At the first sign of stiffness of the joints apply one of these plasters without any delay. The soreness will be greatly relieved at once and soon disappear entirely. It will be money saved to have them on hand, to say nothing of the comfort they bring.

For all derangements of the throat and lungs, Ayer's Cherry Pectoral is the speediest and most reliable remedy. Even in the advanced stages of Consumption, this wonderful preparation affords great relief, checks coughing, and induces sleep.

\$100 Reward \$100.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers, that they offer One Hundred Dollars for any case that fails to cure. Send for list of testimonials.

Address, F. J. CHENEY & CO., Toledo, O. Solely Druggist.

While it is over thirty years ago since Alcock's Porous Plaster was first introduced to the medical profession and public, the marked success and unprecedented popularity which they met with not only continues, but steadily increases. No other plasters have been produced which gain so many testimonials of high value as those continuously accorded to Alcock's Porous Plaster, and the only motive for these exceptional tributes lies in the fact of their being a medicinal and pharmaceutical preparation of superior value. Additional proof of the true value of Alcock's Porous Plaster lies in the fact that they are being largely imitated by unscrupulous persons, who seek to deceive the public by offering plasters which they claim to be the same, "equal," "as good," "better," "best porous plaster," etc., while it is in general appearance only that they resemble Alcock's. Every one of the so called porous plasters are imitations of Alcock's Porous Plaster.

Avoid dealers who attempt to sell inferior and worthless plasters that are purchased by the public at low rates for the purpose of substitution.

This or gray hair and bald heads, so displeasing to many people as marks of age, may be averted for a long time by using Hall's Hair Renewer.
