Gladstone has A clear Head

WHY? Because he follows these rules: "Keep the head cool, the feet warm, and the bowels open." You can have a clear head and live to be ninety if you do the same thing. When the bowels fail to move during the day take on retiring two Smith's Small Blue Beans. Their action is so mild that you are not aware of it. All day your mind will be clear and cool. "Not a grippe a barrel of them." Ask for Smith's Beans to substitute for small size.

The Postille's FOR WEAK MEN

WEAK MEN are victims to Nervous Debility or Exhaustion, Wasting Weakness, Involuntary Losses, and all the ailments of Young and Middle Age. Lack of vigor and strength, with sexual organs impaired and weakened prematurely. We speak from KNOWLEDGE OF RESULTS in many thousand cases treated and cured in the past thirty years. Our method of introducing Dr. F. HARRIS' SOLUBLE MEDICATED PASTILLE treatment is one which commands respect to all sensible persons. For the reason that we supply it upon their judgment of its value. Nothing in the way of expense beyond a postal card and a two cent postage stamp is asked. The postal card for use in sending us their full address and the postage stamp for the letter returning the statements of their case for which we supply them with question blank, to be filled out, and a self-addressed envelope for use in returning it when filled.

Free TRIAL

When we receive the statement on blank we prepare eight days' treatment and forward it by mail free of charge. Along with the treatment we send full directions for using. The treatment causes no pain or inconvenience and does not prevent attention to business. We leave the matter of sending orders entirely with those using the free trial treatment. Having satisfied their minds as to the value of our ability to benefit them we feel that they are more largely interested than ourselves in continuing the use of the Postille. We make the price as low as possible, and the same to all. They are as follows: \$100 for one month; \$150 for two months; \$200 for three months.
