Gladstone has A clear Head

WHY? Because he follows these rules: "Keep the head cool, the feet warm, and the bowels open." You can have a clear head and live to be ninety if you do the same thing.

When the bowels fail to move during the day take on retiring two Gladstone Small Bile Beans. Their action is so rapid that you are not aware of it. All day your mind will be clear and cool. "Not a grippe is born of them." Ask for small size. Take no substitutes for SMITH'S

Bile Beans!

Those
Pimples

Are tell-tale symptoms that your blood is not right—full of impurities, causing a sluggish and unsightly complexion.

A few bottles of S. S. S. will remove all foreign and impure matter, cleanse the blood thoroughly, and give a clear and rosy complexion. It is most effectual, and entirely harmless.

Chas. Heaton, 73 Laurel Street, Wells, says:

"I have had for years a humor in my blood which made me timid to shave, as small boils or pimples would be cut, thus causing shaving to be a great annoyance. After taking three bottles

S.S.S. it should be—apple pie smooth, sleep well and feel like running a foot race for the use of S. S. S.

Good
Cooking

is essential to

Good
Digestion—

in pastry you cannot have either without a good shortening. Lard has always had very objectionable features, causing indigestion and many other dietary troubles. Science has come to the assistance of the cook, and of weak stomachs, with the new shortening.

Refuse all substitutes.

Cottolene

It is composed of the choicest beef suet and highly refined vegetable oil, in many respects as good as the finest imported olive oil. Physicians endorse it, cooking experts recommend it, and thousands are now using it, in preference to any other shortening. Refuse all substitutes.

Please send these notes in stamps to N. E. Munn & Co., Chicago, for sample certificates, containing 100 hundred copies, prepared by themselves with authority in issuing.
