## A Racking Cough

Cured by Ayer's Cherry Pectoral. Mrs. P. D. HALL, 217 Genesee St., Lockport, N. Y., says:

"Over thirty years ago, I remember hearing my father describe the wonderful curative effects of Ayer's Cherry Pectoral. During a recent attack of La Grippe, which assumed the form of a catarrh, soreness of the lungs, accompanied by an aggravating cough, I used various remedies and prescriptions. While some of these medicines partially alleviated the coughing during the day, none of them afforded me any relief from that spasmodic action of the lungs which would seize me the moment I attempted to lie down at night. After ten or twelve such nights, I was

## Nearly in Despair,

and had about decided to sit up all night in my easy chair, and procure what sleep I could in that way. It then occurred to me that I had a bottle of Ayer's Cherry Pectoral. I took a spoonful of this preparation in a little water, and was able to lie down without coughing. In a few moments, I fell asleep, and awoke in the morning greatly refreshed and feeling much better. I took a teaspoonful of the Pectoral every night for a week, then gradually decreased the dose, and in two weeks my cough was cured."

## The Best of Reasons.

The reason why Alcock's Porous Plasters are popular is that they may be relied on to cure:

1. Stiff neck, sciatica, stiffness or twitching of the muscles.
2. Chest troubles, such as pleurisy, pneumonia, consumption.
3. Indigestion, dyspepsia, flatulency, kidney complaint.

The success, however, will depend upon the genuineness of the plaster used. The popularity of Alcock's Porous Plaster has been so great that multitudes of imitations have sprung up on every hand. The only sure cure is to get the genuine Alcock's Porous Plasters.

Brandreth's Pills improve the digestion. Portland, Sacramento, Los Angeles, Stockton and Salem have the same insurance rates. Albany, Or. Butte and Helena, Montana, Salt Lake City, Tacoma, and Walla Walla, Wash. and Spokane, have the same rates.

To preserve a youthful appearance as long as possible, it is indispensable that the hair should retain its natural color and softness. There is no preparation so effective as Ayer's Hair Vigor, it cures baldness, and keeps the scalp clean, cool, and healthy.

Elderly people remember their spring blisters with a shudder. The present generation have much to be thankful for, not the least of their blessings being such a pleasant and thoroughly effective spring medicine as Ayer's Sarsaparilla. It is a

**A Big Blizzard.**  
CHEYENNE, March 21.—The worst storm of the season has been raging for the past 36 hours, and the loss of range cattle will be very great. No train has arrived from the East today, and all trains, including the fast mail, have been abandoned until tomorrow. The indications are it will be a very cold night, with a continuation of the storm until tomorrow. A message from Buffalo says the storm has assumed the proportions of one of the worst blizzards in the history of that section. It is feared that the ranges will be covered with cattle succumbing to exposure to the blizzard.

**PROHIBITION PARTY COUNTY CONVENTION.**

All prohibitionists of Linn county who voted the prohibition party ticket in 1892 and who intend to support the same in the ensuing election will be entitled to seats as delegates in the convention. Every prohibitionist in Linn county is earnestly and cordially invited to attend. T. P. HACKLEMAN, chairman of Linn County Central Committee.

**Expensive Economy.**

Some people begrudge the little money that an Alcock's Porous Plaster costs, and then when they are racked with pain from the soreness arising from a cold, they will spend any amount of money to relieve the pain. If they only had one of these world renowned plasters on hand they would be saved a vast amount of suffering and be considerably richer. At the first sign of stiffness of the joints apply one of these plasters without any delay. The soreness will be greatly relieved at once and soon disappear entirely. It will be money saved to have them on hand, to say nothing of the comfort they bring.

For all derangements of the throat and lungs, Ayer's Cherry Pectoral is the speediest and most reliable remedy. Even in the advanced stages of Consumption, this wonderful preparation affords great relief, checks coughing, and induces sleep.

**\$100 Reward \$100.**

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers, that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials. Address, P. J. CHENEY & CO., Toledo, O.

**TRINITE.**

While it is over thirty years ago since Alcock's Porous Plasters were first introduced to the medical profession and public, the marked success and unprecedented popularity which they met with not only continues, but steadily increases. No other plasters have been produced which gain so many testimonials of high value as those continuously accorded to Alcock's Porous Plasters, and the only motive for these exceptional tributes lies in fact of their being a medicinal and pharmaceutical preparation of superior value. Additional proof of the true value of Alcock's Porous Plasters lies in the fact that they are being largely imitated by unscrupulous persons, who seek to deceive the public by offering plasters which they claim to be the same, "equal," "as good," "better," "best porous plaster," etc., while it is in general appearance only that they resemble Alcock's. Every one of the so-called porous plasters are imitations of Alcock's Porous Plasters.

Avoid dealers who attempt to sell you inferior and worthless plasters that are purchased by them at low rates for the purpose of substitution.

Thin or gray hair and bald heads, so displeasing to many people as marks of age, may be averted for a long time by using Hall's Hair Renewer.

When Baby was sick, we gave her Castoria. When she was a Child, she cried for Castoria. When she became a Woman, she clung to Castoria. When she had Children, she gave them Castoria.
