A Racking Cough

Cured by Ayer's Cherry Pectoral. Mrs. P. D. HALL, 217 Genesee St., Lockport, N. Y., says:

"Over thirty years ago, I remember hearing my father describe the wonderful curative effects of Ayer's Cherry Pectoral. During a recent attack of La Grippe, which assumed the form of a catarrh, soreness of the lungs, accompanied by an aggravating cough, I used various remedies and prescriptions. While some of these medicines partially alleviated the coughing during the day, none of them afforded me any relief from that spasmodic action of the lungs which would seize me the moment I attempted to lie down at night. After ten or twelve such nights, I was

Nearly in Despair,

and had about decided to sit up all night in my easy chair, and procure what sleep I could in that way. It then occurred to me that I had a bottle of Ayer's Cherry Pectoral. I took a spoonful of this preparation in a little water, and was able to lie down without coughing. In a few moments, I fell asleep, and awoke in the morning greatly refreshed and feeling much better. I took a teaspoonful of this Pectoral every night for a week, then gradually decreased the dose, and in two weeks my cough was cured."

The Best of Reasons.

The reason why Alcock's Porous Plaster are popular is that they may be relied on to cure:

1. Lameness, sciatica, stiffness or twitching of the muscles.
2. Chest troubles, such as pleurisy, pneumonia, consumption.
3. Indigestion, dyspepsia, indigestion, kidney complaint.

The success, however, will depend upon the genuineness of the plaster used. The popularity of Alcock's Porous Plaster has been so great that multitudes of imitations have sprung up on every hand. The only sure cure is to get the genuine Alcock's Porous Plaster.

Brandreth's Pills improve the digestion, Portland, Sacramento, Los Angeles Stockton and Salem have the same insurance rates. Albany, Or, Butte and Helena, Montana, Salt Lake City, Tacoma, and Walla Walla, Wash, and Spokane, have the same rates.

Trouble Feared.
WASHINGTON, March 22.—It is believed in well informed naval and diplomatic circles that the Behring sea matter is assuming an aspect of grave and serious importance, and that recent sudden changes in the assignment of naval officers are ascribable to this cause.

The department of state has at last called upon the navy department to supply a fleet of police for the seal waters, and every effort is being made to get the vessels together. They will number 10, if so many can be assembled.

An Even Game.
SAN FRANCISCO, March 22.—The first game of the Rugby football tournament was played at the midwinter fair grounds today, the contesting clubs being the Oregonians and Californians, and the game resulted in a tie. For an hour and a half the athletes twisted each other's necks and struggled for supremacy to the delight of the cheering crowd in the grand stand, but neither side scored.

A Fatal Bomb.
PARIS, March 22.—A bomb exploded yesterday afternoon in the church of Gaietie near Grenoble, as the congregation was departing. The explosion was just inside the main entrance. Twenty were injured, three probably fatally. A panic ensued, during which a number were trampled under foot and injured. No arrests.

A Commander for Hawaii.
CHICAGO, March 22.—The Post's Washington special says:
Naval circles are excited over the order recalling Commander Kirkland, on route for Hawaii, and instructing Admiral Walker to take command of our naval forces at that station. Admiral Walker has just finished a term of sea duty and expected to have a long spell of shore duty.

A Brutal School Teacher.
CHEWELAH, March 22.—After a sensational trial, lasting two days, before a justice, Mr. and Mrs. J. H. Barnes, teachers in the public schools here, were fined \$50 and costs for brutally beating a son of William Duffy. The evidence showed that Mrs. Barnes was out with a switch, and while waiting for more from the adjacent woods attacked the child with her fist.

Hall's Catarrh Cure is the only positive cure known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. Expensive Economy.

Some people begrudge the little money that an Alcock's Porous Plaster costs, and then when they are racked with pain from the soreness arising from a cold, they will spend any amount of money to relieve the pain. If they only had one of these world renowned plasters on hand they would be saved a vast amount of suffering and be considerably richer. At the first sign of stiffness of the joints apply one of these plasters without any delay. The soreness will be greatly relieved at once and soon disappear entirely. It will be money saved to have them on hand, to soothe nothing of the craft as they bring.
