A Racking Cough

Cured by Ayer's Cherry Pectoral. Mrs. P. D. HALL, 217 Genesee St., Lockport, N. Y., says:

"Over thirty years ago, I remember hearing, my father describe the wonderful curative effects of Ayer's Cherry Pectoral. During a recent attack of La Grippe, which assumed the form of a catarrh, soreness of the lungs, accompanied by an aggravating cough, I used various remedies and prescriptions. While some of these medicines partially alleviated the coughing during the day, none of them afforded me any relief from that spasmodic action of the lungs which would seize me the moment I attempted to lie down at night. After ten or twelve such nights, I was

Nearly in Despair, and had about decided to sit up all night in my easy chair, and procure what sleep I could in that way. It then occurred to me that I had a bottle of Ayer's Cherry Pectoral. I took a spoonful of this preparation in a little water, and was able to lie down without coughing. In a few moments, I fell asleep, and awoke in the morning greatly refreshed and feeling much better. I took a teaspoonful of this Pectoral every night for a week, then gradually decreased the dose, and in two weeks my cough was cured."

THE BEST OF REMEDYS.

The reason why Allcock's Porous Plaster is so popular is that they may be relied on to cure:

1. Lame back, sciatica, stiffness or twitching of the muscles.
2. Chest troubles, such as pleurisy, pneumonia, etc.
3. Indigestion, dyspepsia, indigestion, kidney complaint.

The success, however, will depend upon the genuineness of the plaster used. The popularity of Allcock's Porous Plaster has been so great that multitudes of imitations have sprung up on every hand. The only sure cure is to get the genuine Allcock's Porous Plaster.

Brandreth's Pills improve the digestion, Portland, Sacramento, Los Angeles, Stockton and Salem have the same insurance rates. Albany, Or, Butte and Helena, Montana, Salt Lake City, Tacoma, and Walla Walla, Wash, and Spokane, have the same rates.

Elderly people remember their spring blisters with a shudder. The present generation have much to be thankful for, not the least of their blessings being such a pleasant and thoroughly effective spring medicine as Ayer's Sarsaparilla. It is a

The Students Riot.

BUDA-PESTH, March 23.—The excitement over last night's riots has not yet subsided. The students declare that they will resist any attempt to open places of amusement during the period of mourning for Kossuth. The police are preparing to prevent further disturbance. The majority of the police sympathize with the students, and will make only a nominal resistance. About 20 persons were injured in last night's rioting, none seriously.

A Daring Murder.

SAN FRANCISCO, March 23.—A man went into the branch bank of the San Francisco Savings Union, which is situated at the corner of Market and Polk streets, about 9:30 this morning. He presented a written demand for money to Cashier William A. Herrick. The demand was refused, whereupon the desperado murdered the cashier and fled, but was captured a few blocks away.

Gold Discovery in Utah.

SALT LAKE, March 23.—The excitement over the new gold discoveries is running high in the little town of Lehi, Utah, about 30 miles south of this city. The discoveries were made a few days ago. The ore is a pink slate and lays in stratified veins. The belt has been traced for two miles. It is over 30 feet in thickness and assays about \$20 in gold to the ton.

Baker City Retrenching.

BAKER CITY, March 23.—At the city council meeting it was decided to reduce the expenses of operating all departments of the city government. All salaries must submit to a cut of 35 per cent. The arc lights for the streets will be dispensed with entirely. This was deemed imperative, because of the large floating debt now hanging over the city, to say nothing of \$600,000 of bonded indebtedness, for the payment of which preparations must be made.

Eastern Weather.

OMAHA, Neb., March 23.—The great storm that has been prevailing over the Middle West has entirely abated, and the sun is shining brightly, with no wind. The Union Pacific and Burlington lines are now open between Omaha and Cheyenne. Twenty eight carloads of people who have been snowbound on the Union Pacific reached here today. Four trains had been consolidated, and the passengers were from 10 to 35 hours late.

Oregon Bacter.

SAN FRANCISCO, March 23.—The second of the series of Rugby football games was played today at the fair grounds. The contestants were the Oregon and British Columbia teams. It resulted in a victory for the British Columbians, who won by a score of 19 to 6.

PROHIBITION PARTY COUNTY CONVENTION.

All prohibitionists of Linn county who voted the prohibition party ticket in 1892 and who intend to support the same in the ensuing election will be entitled to seats as delegates in the convention. Every prohibitionist in Linn county is earnestly and cordially invited to attend.

Expensive Economy.

Some people begrudge the little money that an Allcock's Porous Plaster costs, and then when they are racked with pain from the soreness arising from a cold, they will spend any amount of money to relieve the pain. If they only had one of these well known plasters on hand they would be saved a vast amount of suffering and be considerably richer. At the first sign of stiffness of the joints apply one of these plasters without any delay. The soreness will be greatly relieved at once and soon disappear entirely. It will be money saved to have them on hand, to say nothing of the comfort they bring.

Don't Swear.

Of course you feel like it some times; but there is nothing in it. Simply learn a lesson, and the next time go to Parker Bros for your groceries, produce and baked goods. No one ever ejaculates profanely after leaving their store, for not only are the best groceries in the market sold; but everybody from a child to an old gentleman, is treated courteously. Their baked goods, in a large variety, are superior and popular. If you would keep in good humor with the world always try Parker Bros.

Thin or Gray Hair and Bald Heads.

So displeasing to many people as marks of age, may be averted for a long time by using Hall's Hair Renewer.

For all derangements of the throat and lungs, Ayer's Cherry Pectoral is the speediest and most reliable remedy. Even in the advanced stages of Consumption, this wonderful preparation affords great relief, checks coughing, and induces sleep.
