

A Little Daughter

Of a Church of England minister cured of a distressing rash, by Ayer's Sarsaparilla. Mr. RICHARD BURKE, the well-known Druggist, 207 Mettill st., Montreal, P. Q., says:

I have sold Ayer's Family Medicine for 40 years, and have heard nothing but good said of them. I know of many

Wonderful Cures

performed by Ayer's Sarsaparilla, one in particular being that of a little daughter of a Church of England minister. The child was literally covered from head to foot with a red and exceedingly troublesome rash, from which she had suffered for two or three years, in spite of the best medical treatment available. Her father was in great distress about the case, and, at my recommendation, at last began to administer Ayer's Sarsaparilla. Two bottles of which effected a complete cure, much to her relief and her father's delight. I am sure, were he here to-day, he would testify in the strongest terms as to the merits of

Dr. Price's Cream Baking Powder

Most Perfect Made. The Best of Reasons.

The reason why Alcock's Petrus Plaster are popular is that they may be relied on to cure:

1. Lame back, sciatica, stiffness or twitching of the muscles.
2. Chest troubles, such as pleurisy, pneumonia, consumption.
3. Indigestion, dyspepsia, flatulency, kidney complaint.

The success, however, will depend upon the genuineness of the plaster used. The popularity of Alcock's Petrus Plaster has been so great that multitudes of imitations have sprung up on every hand. The only sure cure is to get the genuine Alcock's Petrus Plaster.

TELEGRAPHIC.

The March Regun.

CANTON, O., March 25.—In the face of a sharp, cold wind, that brought shivers to the frames of ill-clad people, Coxe's army marched eight miles today on the road to Washington. There were a few less than 100 of them. Not to exceed a dozen had overcoats or gloves. They had slept last night on pallets of straw in the airy and cheerless circus tent, and they were greeted this morning by the disagreeable discovery that no definite arrangements had been made for feeding them.

From War to Pleasure.

REDE JANEIRO, March 25.—Affairs here are rapidly resuming their normal aspect, and aside from the damage to the forts and along the water-front by the firing of the insurgent warships, all traces of warfare have disappeared. The past week has been one of continual festivity, marked by the constant firing of salutes and the holding of reviews. The usual religious processions were held, and the church services were very largely attended.

A Good Lesson.

HARLETON, Pa., March 25.—Not one of the 200 men whom Astor Evans claimed to have enrolled in the commonwealth army responded today. John Hammond, the colored recruit who arrived yesterday and was arrested for vagrancy, was sent to the hospital today. His feet, which have been frozen, are decayed for want of medical attention and the whole of one foot and the toes of the other will have to be amputated. He has furnished a wholesome lesson for the followers who might have attempted the march.

The Anarchists.

BOSTON, March 25.—The Boston anarchists held a field day with Johann Most as chief marshal. Most was greeted with tumultuous applause, and his rabid remarks found favor, if judged by the amount of applause he received from the 600 people present. He maintained that a social revolution was bound to come; that when the time was ripe it would not break out in isolated spots, but would be a universal outbreak.

Dr. Vanderpool Dead.

THE DALLAS, Or., March 25.—Word has just arrived here that Dr. W. L. Vanderpool, of Eufur, died last evening. He was the proprietor of the patent medicine factory situated at that place, and had also gained a considerable local reputation as a cancer specialist.

A Terrible Experience.

ST. JOHN'S, N. E., March 25.—A large body of ice was driven off from here last night carrying with it a party of 50 men who were attempting to cross the ice. It is feared many have perished. Two dead bodies have been brought ashore, and steamers are searching for the rest of the party.

THE MODERN WAY.

Commend it to the well formed, to do pleasantly and effectually what was formerly done in the crudest manner and disagreeably as well. To cleanse the system and break up colds, headaches and fevers without unpleasant after effects, use the delightful liquid laxative remedy, Syrup of Figs.

ROBERT A. MILLER, Register. PETER PAQUET, Receiver.

The readers of this paper will be pleased to learn that there is at least one divided disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only medicine known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers, that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials. Address, P. J. CHENEY & CO., Toledo, O. "Sold by Druggists."

Expensive Economy.

Some people begrudge the little money that an Alcock's Petrus Plaster costs, and then when they are racked with pain from the soreness arising from a cold, they will spend any amount of money to relieve the pain. If they only had one of these world renowned plasters on hand they would be saved a vast amount of suffering and be considerably richer. At the first sign of stiffness of the joints apply one of these plasters without any delay. The soreness will be greatly relieved at once and soon disappear entirely. It will be money saved to have them on hand, to say nothing of the comfort they bring.

Don't Swear.

Of course you feel like it some times; but there is nothing in it. Simply eat a lesson, and the next time go to Parker Bros for your groceries, produce and baked goods. No one ever ejaculates profanely after leaving their store, for not only are the best groceries in the market sold, but everybody from a child to an old gentleman, is treated courteously. Their baked goods, in a large variety, are superior and popular. If you would keep in good humor with the world always try Parker Bros.
