#### GOOD EVENING

ALBANY BEATEN.—The Albany foot ball
team returned to Albany from Eugene
with their colors drooping, having been
beaten 42 to 2. With an average of 20
pounds more of weight they swept the
field with the Albany boys, with
strength more than skill. Using the
wedge in nearly every instance they
seemed to be able to push their way
across the field, turning somersets over
our center rush on the way. The Guard
describes the first half as follows:
The game was opened at 2:55 by the
U O's with a "flying wedge." The play
was well made and after several close
scrimmages the same team scored a
"touchdown" and followed it immediately, with a goal, scoring 6 points. Shattuck, the center rush, made a number
of advantageous plays, and won hearty
cheers. As we go to press the teams
were lining up in the center again for
the second round.
On the second line up the Albany's
had the ball but this gave them no apparent advantage for within 14 minutes
from the time the game started the U
O's scored another touchdown but missed the goal.

O's scored another touchdown but missed the goal.

The home boys took the ball on the third bout and were given a hard rab by the Albanys. At one time they had nearly scored a touchdown but before they had made lost ball up the yard, or two necessary, the U O's rallied and carried the ball directly across the field scoring the third touch down and goal. Templeton was cheered as a good goal kicker.

The Albany team took the ball next-

The Albany team took the ball next. Both teams were getting tired, but this was the closers fought round yet. The ground was guarded closely and it was some time before either gained any material advantage. Little by little, however, the Albany boys lost ground, and although the ball changed hands several times, they were finally driven back, and another touchdown and goal scored by the U O's. This ended the first half of the game. Score 22 for Eugene; Albany 0.

EASTER.-The Easter cutertainment EATER.—The Easter catertainment given by the W C T U at their ball was a pleasant affair. The display of home decorated Easter eggs was probably the finest ever usen in Albany, containing many novelties of an artistic character. A lunch was served, and during the evening a short program was rendered, consisting of a vocal solo by Mrs Nutting and a duet by Mr and Mrs Hammer.

A vestit Easter oversam was present.

A pretty Easter program was presented at the Congregational church last evening. An aria by Miss Warner with an artistic accompaniment by Rev Trow was particularly a treat. A solo by Mrs C O Loe was also greatly appreciated. Besides exercises by the S S children Easter eggs were distributed among the young members of the audience.

A sunrise Easter service at the M E church was well attended. It was lead by Miss Clara Guard, and was full of interest.

The Pendleton E O tells of the following good example to office seekers: A trio of candidates for the county clerkship met Friday on First National Bank corner. After discusting the situation, they agreed to settly the issue in this manner. On the dropping of a hat by some third party, the three were to race from where they then stood to the Savings Bank corner, one square away. The start was fairly made, and an exciting race ensued. One was rather corpulent but proved to be a good sprinter. The other two were exactly matched in height and weight, although one had the advantage of being ten years the younger. At this time it will not be announced which won, but it will come out later. For all three solemnly agreed to abide by the result of this Olypian test.
