

A Little Daughter

Of a Church of England minister cured of a distressing rash, by Ayer's Sarsaparilla. Mr. RICHARD BURN, the well-known Druggist, 207 McGill st., Montreal, P. Q., says:

I have sold Ayer's Family Medicines for 40 years, and have heard nothing but good said of them. I know of many

Wonderful Cures

performed by Ayer's Sarsaparilla, one in particular being that of a little daughter of a Church of England minister. The child was literally covered from head to foot with a red and exceedingly troublesome rash, from which she had suffered for two or three years, in spite of the best medical treatment available. Her father was in great distress about the case, and, at my recommendation, at last began to administer Ayer's Sarsaparilla, two bottles of which effected a complete cure, much to her relief and her father's delight. I am sure, were he here to-day, he would testify in the strongest terms as to the merits of

Dr. Price's Cream Baking Powder. Best. Perfect Made. The Best of Reasons.

The reason why Alcock's Porous Plaster are popular is that they may be relied on to cure.

1. Lame back, sciatica, stiffness or twitching of the muscles.
2. Chest troubles, such as pleurisy, pneumonia, consumption.
3. Indigestion, dyspepsia, anæmia, kidney complaint.

The success, however, will depend upon the genuineness of the plaster used. The popularity of Alcock's Porous Plaster has been so great that multitudes of imitations have sprung up on every hand. The only sure cure is to get the genuine Alcock's Porous Plasters.

An Exciting Court Scene.

St Joseph, Mo., March 27.—A panic was created in the circuit courtroom at Albany, 40 miles east of this city, this morning, when Frank B Earl and Jacob Miller, two brothers-in-law, drew pistols, and Miller began firing. Miller was defendant in a divorce suit, and he accused Earl of causing the trouble. Earl was shot four times, and as he fell Miller turned the pistol on himself, but before he could fire he was knocked down by Sheriff Ross, and then taken to jail. When locked up he became a raving maniac. Earl cannot live. Both men are very prominent.

Foolish Men

ALLIANCE, O., March 27.—Twelve miles of the longest free lunch route on record was mapped out for the Coxey caravan today. January weather was also on the programme, but the sympathy of people along the line of march is making it possible for the men to progress without any particular hardship. They are cheered on by sausage, ham, bread and black coffee. Only the "holo" contingent is provided with soap, and they are not particular about using it.

Nothing Done Yet

WASHINGTON, March 27.—Seven of the ten days allowed by the constitution for consideration by the executive of a bill have passed since the seigniorage bill was laid before the president, and still there has been no action on the measure. It had been assumed in certain quarters that the president had made up his mind yesterday what disposition he should make of the bill, and would today announce his decision to his cabinet. If he did so, the fact cannot be learned.

The Recent Snap

NEW YORK, March 27.—Reports from Southern New York show great damage to fruit and vegetables as a result of the cold wave. Along the Atlantic coast railway lines the damage is estimated at \$1,000,000. In Delaware it is reported the peach crop is totally ruined, and other fruit prospects destroyed. In the grape-growing regions of Western New York the buds have been destroyed, and vast losses are feared in consequence.

A Street Duel

FLEMING, W Va., March 27.—Last night Hoke Napier, a well known lumberman, and a discharged employe, Henry Collins, met in the street and quarreled. Both drew revolvers and began firing. Collins was killed instantly and Napier survived only a few hours.

Another storm

OMAHA, March 27.—Another big storm, coming from the Northwest, broke on this section this evening. It has been storming since 3 o'clock. The wind is strong and cold.

THE MODERN WAY

A Child Enjoys

The pleasant flavor, gentle action and soothing effect of Syrup of Figs, when in need of a laxative, and if the father or mother be constive or bilious, the most gratifying results follow its use; so that it is the best family remedy known and every family should have a bottle.

THE GREAT CURE WILL. The success of this cure will be attested by the fact that there are thousands of diseased persons who have been cured by its use. It is a simple, and safe, and sure cure for all the diseases of the system, and is the only remedy known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thus destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers, that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials. Address, F. J. Expensive Economy.

Some people begrudge the little money that an Alcock's Porous Plaster costs, and then when they are racked with pain from the soreness arising from a cold, they will spend any amount of money to relieve the pain. If they only had one of these well known plasters on hand they would be saved a vast amount of suffering and be considerably richer. At the first signs of stiffness of the joints apply one of these plasters without any delay. The soreness will be greatly relieved at once and soon disappear entirely. It will be money saved to have them on hand, to say nothing of the comfort they bring.
