PHOENIX BICYCLES.

"Stand the Racket"

A Leader for TEN YEARS among HIGH GRADE WHEELS. Our Phoenix One-Crank made a record for itself last season—Not One Broken Crank in Oregon, Washington or Idaho out of the Hundreds of Wheels sold in these three states in 1897. The Result is that others are counterfeiting this crank, but this does not delude Wise Buyers who have already purchased hundreds of the 1898 Phoenix Bicycles. So far we have been unable to get them fast enough to supply our agents. But our Second Car is on the Road.
