Our Salem store has some of the new models on display and we expect our first machine to arrive about March 3rd, same being enroute from the Harley-Davidson factory. We ask that you call at our store for catalogue and we will demonstrate to you the many advantages of this machine.

#### Stock Yard Report.

Portland, Feb. 26.—The receipts for the week have been: Cattle, 293; calves, 28; hogs, 3012; sheep, 1905.

Cattle—Cattle receipts have been only moderate this week and have taken a lower level in price. New prices established are 15 to 25 cents lower than former prices. The market is considered steady at \$7.75 for top steers and other lines in proportion.

Hogs—The receipts of hogs have not been as large as ordinarily and consequently prices have advanced accordingly. Top prime light hogs bringing \$6.85 at close of week.

Sheep—The sheep market can best be explicated by the one word "excellent." Prime lambs are bringing \$8.25 and extra good quality would no doubt bring at least a quarter more than this figure. All killers seem short of supplies.
