MONEY NEEDS FASTER LEGS

If everybody would talk good business it would not be long until things would be humming. That is the only thing lacking.

What's a little money and some distinction, where the character is dropped in the bargain.

MISFITS

Realization is about the same as a fight anyway.
Liquid fire seems specially brutal; but so is lead going like lightning.

Mexico is getting in style, and is now having some mine disasters.

Cheaper gasoline will mean more autos and also auto tires.

Would like to see Byron swim the Hellespont now. It is mostly the first part of the name.

You can live just as cheap now as any other old time. The h. c. of l. is simply due to more style in dress and some life.

Reno, Nev., is again on the map with the latest in divorce privileges.

For genuine optimism commend us to the English premier who claims that England is just as well off as before the war.

The Albany papers are certainly on deck when it comes to whooping for the Hub City.

About time the Albanians had a name given them.

That reminds us that the best name in the world is Albany. There is a smoothness to it as it rolls off one's tongue, with a sweetness as pleasant as honey.

QUITS PIANO BUSINESS IN ALBANY

Statement from Mr. E. R. Van Dyke, Who for 16 Months Has Been the Eilers Music House Representative in Linn County

"It was my intention in coming here a year and a half ago and moving my family here to make my permanent home in Albany, and build up a substantial piano business.

Some of the pianos belong to Eilers Music House; some of them I have an equity in and some of them are owned outright by me.

Now just a word. Most of the pianos here, in the schools, churches, heaters, lodges, to the most prominent people here, in fact most of the pianos for the past 16 years sold in Linn county are from Eilers Music House and they have not a dissatisfied customer.

This sale is positively not a question of profit, I having other interests that compel me to take this hasty action, and to my friends, to anyone in ending to purchase a piano in the next year—yes, two years—I would advise an immediate investigation of this sale, as one dollar will do the work of two at this time.

The reductions are enormous, as I realize that this is the wrong time of the year to put on a sale of this magnitude and that price alone must be the magnet to draw the buyers at this time.

Eilers Music House has been more than generous in their reductions in prices to me also in making exceptionally easy terms—a little each month like rent securing a piano now.

(Signed) E. R. VAN DYKE.
