A LIKEABLE MAN.

The new secretary of state, Robert Lansing, is the kind of man the masses like. His character appeals to people. Educated in diplomacy, under a father-in-law, John W. Foster, former secretary of state, and life long diplomatist, he has the foundation fabric for the work he has been selected to have charge of.

Even while Secretary Bryan was in the cabinet Lansing was called into the deliberations of the cabinet, a rare thing, cabinet meetings being very exclusive. Former Secretary Bryan is very much his friend, and has great confidence in his ability.

Lansing is a graduate of Amherst, and is making a name that will grow in lustre because of a balance wheel that governs the character of the man.

CHAUTAQUA AN ASSET.

The coming session of the Albany Chautauqua deserves the hearty support of the people of this city. It, in the past, has established a record as an educational institution, as well as one for instruction. It is absolutely clean in its methods, with program of a high order.

MISFITS

It takes only a day to go to the top of Mary's Peak, stay there a long time, and return, and all declare it a trip worth taking, and then some.

This valley is some sight from high up.

Down at Silv. the people have just elected a p. m. That's refreshing.

Cool weather has been helping the fly swatter.

Better lay in a supply of light weight underclothes. Summer's kum.

The juices are coming to the front, and the gov. has just gotten out a bulletin telling how to fix blackberries, currants, raspberries, sour cherries and peaches into a drinkable juice that will keep until drunk.

By the way the things these departments of labor and commerce can think of are enough to make one dizzy, all the way from babies to trunks.

What's in a name. Hari kari means suicide in Japanese.

Mayor Bell, of Eugene, will greet the Liberty Bell on the 15th. Borrow Corvallis' Bell for chaplain and the occasion will be a yell.

Looking at a map of the world showing the countries affected by the war, expressed in black, is enough to give one the blues.

The real anniversary of the starting of the big war didn't begin with the shooting by that unsophisticated student; but long before then, hatching for a long time, under the direction of his Satanic majesty himself.

Celebrate July 5 at Jefferson.

Goodyear Fortified Tires Cost Users \$5,000,000 Less

Our last price reduction—made February 1st—will save Goodyear users about five million dollars this year. And that was our third reduction in two years, totaling 45 per cent.

Yet Note This Yet Goodyear Fortified Tires embody many extras. Five are costly features found in no other tire. The rest are found in few.

If we omitted those extras, we could save on this year's probable output \$1,635,000. We could add that to our profits, yet Goodyear tires would look as good as now.

This year's improvements alone will cost us \$500,000 this year. All to give you ex-
