TALKING PEACE

The Socialists of Germany have begun a movement for securing negotiations for peace. They ask it in the name of humanity and culture. Their request should be granted. It is infamous to continue a war that can only result in disaster to all concerned.

A RAILROAD SKETCH.

Speaking of the early efforts to get a railroad from Yaquina Bay out to the valley, Fred Lockley in the Journal tells some interesting things. There are also a good many things he does not tell, nor have they ever been told in print, some things that would make a dime novel look like Ben Hur.

"The 1874 Oregon legislature granted a charter and apparently gave anything asked for. The railroad promoters agreed in case of war within 20 years to carry all the state troops and munitions free. In return for this the legislature granted them immunity from taxes for 20 years and for good measure gave them all tide lands and overflow lands in Benton county.

MISFITS

Mex. without a rev. would look like Hamlet without a Hamlet.

If Villa and Carranza get together, one or the other inside of a week will be at out with some one else. They live on revolution.

With Or. on the map there's no use of an Europe for scenery.

Pride goes before a fall. There's going to be a big one over the pond before long.

So far Germany has swatted a little the hardest. After 11 mo. the fighting is all on the territory of others.

Men continue to hunt for the elusive gold nugget in the hills. One can never tell, though, what will happen. Down at Cripple Creek 340,000,000 in gold has been taken out. Before then men were thought to be foolish to waste their time hunting around for a color.

Straw hats, summer shirts and neck-a-boo underclothing ought to be sellers these days.

It is not easy to criticise other after taking a square look in the mirror.

One magazine recently contained advertisements of 32 military schools. Now, let's see, isn't that a little bit suggestive.

If there is such a thing as a microbe it's militarism.

Gov. Statton of Ga. displayed wisdom when he took a trip to S. F. to see the fair. There's such a thing as too much heroism.

\$1,635,000 Hidden

In This Year's Goodyear Tires

Here are amazing facts: Goodyear Fortified Tires contain five costly features found in no other tire. They have other features not common.

Users Save \$5,000,000

Yet our 1915 price reduction—made February 1st—will save Goodyear users about \$5,000,000 this year. And that was our third reduction in two years, totaling 45 per cent.

If we omitted those features, this year's probable output would cost us \$1,635,000 less. We could add that much to our profits. And you would never know it until troubles came.

These extra features—used by us alone—will save users millions more.

This year's improvements alone will cost us \$500,000 yearly. Most of this goes into extra rubber—all into extra tread.

That's why Goodyears dominate. They have long outsold any other. They are gaining new users faster than we can supply them. We hope, for your own sake, that they'll soon win you. Any dealer will supply you. (249)
