SATURDAY NIGHT THOUGHTS

Things are gradually settling down in the U. S. The only thing that disturbs anyone is the fear that a match at any time may cause a combustion. The indications are not that way; but along the lines of peace for this country, and our policy is one of patient waiting. In the days of Roman lustre there was an old soldier named Fabian, who made a great reputation by patiently waiting and biding his time. When it came he struck to the point winning many a battle by not rushing headlong into engagements.

The Mexican squabble has continued to interest the world, an ugly affair it is not easy to make heads or tails of. There are at least two factions whacking each other vociferously with others ready at any time to jump into almost any old thing so its tendency is to turn things upside down. This week there was pretty neat trouble over an old sore spot being revived. In the morning you can never tell what will be happening in the evening in Mexico. One of the world's rich countries, full of natural resources, waiting to be developed into fortunes, the constant turmoil there is very distasteful.

After a cool season we have been having some weather this week, hot enough for a Hottentot; but it has been what we were wanting, and is undoubtedly a good thing. How easily we forget. Three days of heat makes the average person forget months of chill.

The passing of the Corvallis & Eastern recalls the many names the road has had, now merged into the Southern Pacific, a part of perhaps the greatest railroad system in the world. Oregon Pacific was perhaps the best known. Willamette Valley and Coast R. R. will not be forgotten. Those who have been here some time have a feeling that instead of stopping at Hoover the road should now be running into Boise, Idaho. They know very well that enough money was raised to take it there. What became of it has always been a matter of speculation, without much trouble in guessing very close to the mark.

We are on the edge of the long anticipated chautauqua season. Of a clean and uplifting character, we do well to make much of it, placing a high value on it, as we should on all things that build up.

"Safety Plus Service"**MISFITS**

Albany is ready for a sane 4th of July. We are a sane people.

A man back East has made a reputation as a joke manufacturer. He gets big money thinking out things to go with funny pictures. It's just natural for some people to be funny.

The best humor is the kind that is clean and wholesome, something that sort of surprises one, and takes a second look to appreciate.

So called humor, full of vulgarity, is bad stuff at the best.

Putrid matter is no better in the mind than in the stomach.

Germany says peace proposals must come from the enemies, and the enemies say the same thing. How can it ever end then.

The manner in which the movies have gripped the people is shown in the fact that a \$4,000,000 film factory is being organized in N. Y. Making films requires the daring of the greatest heroes of dime novel lore.

Booby is the name of a bird in the Bahama islands that hasn't enough rumption to take care of itself, just like some people.

Garden sass never tasted better than now. Our neighbors gardens are well filled, and there are no fences around.

This is to express our thanks for fine supplies of p's and let's see.

Best of all is fresh apl. sas, with nothin' superior as a Spring regulator. Money makes the mare go, but it takes oil to make the wheels go round.

**To the Business Men of Albany**

Prosperity and local pride are twins. They are born at the same time and grow up together. Enthusiasm for the home town is a great thing for local business men. Once developed, this feeling shows direct returns in more sales and bigger profits.

Have you ever seen a shabby town proud, or prosperous? Good paint is a powerful factor in keeping prosperity after a community has won it. We sell and recommend

Dutch Boy Color White Lead

as the base of "quality-first" paint. Put some "lead-and-oil" paint to work for you and your business. Call us up. We sell all good painting requisites.

FOSHAY & MASON, Inc.**Former Albany Teacher Married—**

A recent marriage in Portland was that of Miss Hazel Weller and Paul M. Will. The bride is a former teacher in the Albany public schools, a former resident of Brownsville for a number of years, and afterwards of Corvallis. The groom is a business man, well spoken of. The happy couple have gone to M. C. on their bridal trip.

Returned from Honeymoon—

Mr. and Mrs. Fred Fischer arrived in Corvallis last evening from San Francisco, where they passed their honeymoon at the Panama-Pacific exposition. Mr. and Mrs. Fischer were the contracting parties in a quiet wedding service performed at Albany Monday afternoon, June 7, the bride being Miss Anna Abraham, a well known young woman of northern Benton county. Mr. and Mrs. Fischer will reside in Corvallis—Corvallis G. T.

Halsey Celebrating—

Halsey is celebrating the 4th of July today. Dr. J. L. Hill, of this city, is the principal speaker. Mrs. O. M. Miller read the Declaration of Independence and there was singing and races, besides a game of baseball between Halsey and Potter. Even the traditional greased pig was on hand.
