SUPPRESSING A NEWSPAPER

It is hard for Americans to get up any enthusiasm over the suppression of press freedom under any circumstances, and yet there is a certain satisfaction in the German government's treatment of the Berlin Tageszeitung.

The usual amount of insanity with the sanity of the double 4th this year. After all only part of us are sane anyway.

A learned dr. says about half, if not more, of the people of the world, are affected with dementia in at least a small degree.

The trouble with a good many of these learned drs. who come into the limelight by freak ideas is that they are the ones most affected.

It doesn't take a noise to express real loyalty. Our best friends do not come around with a band to let us know about it.

HEARD FROM BRYAN

Lebanon Express-Advance: When Hon. Wm. J. Bryan resigned as secretary of state, Oscar Ingram and nine other Lebanon men sent him a telegram commending his efforts in the interest of peace.

Chautauqua's here for eight days of learning and entertainment. Open up and go in.

If nothing else get some good cooking ideas. Miss Conoway is a whole wheat gem.

Every day will be worth while. Not a poor one on the program.

Make the event a vacation season, with music in the air, near where the limpid waters purr down from the gorges.

When a millionaire gets shot, the world gets up on its feet, reaches out and listens.

It takes something to make war news take a back seat. Morgan did it.

Sometimes one man outweighs a thousand being slaughtered on a battlefield.

Money talks when in the pockets of a man who runs the stock market of the world, if he meets with an accident or tragedy.

To the Business Men of Albany

A young doctor, making a start in a small town, decided that to be prosperous he must look prosperous. He bought a new buggy and two good horses.

Our town, like this doctor, must look prosperous to be prosperous. Clean streets, attractive store windows, well-painted buildings and dwellings give the prosperous air.

and pure linseed oil make a most durable and protective paint that keeps buildings well painted. These materials can be mixed to suit conditions and tinted any color desired.
