The Trojan Women—

Cultured people will be interested in the notice printed elsewhere in this issue of Euripides "Trojan Women," at Eugene. For further particulars, enquire of Miss Mae Tillman, society editor of Democrat.

Here from Stayton—

William Hofflich, now manager of the Stayton Electric Light Co., was in the city during the week. With his long experience in the business he will undoubtedly build up the business of the plant at Stayton.

Crowds Always Exaggerated—

The number of people who have seen the liberty bell, if added, as given out at the different places through which the bell passed, would probably beat the population of the country. The figures are staggering. The crowds were immense and deserve to be, but crowd figures always are and always have been exaggerations.

Here from Kansas—

The Misses Garvin, of Kansas, are here on a visit to the guests of their cousin, J. D. Ellis. They will go to the big fair before returning home. Their mother was here several years ago, making Mr. Ellis and family quite a visit.

New Moon—

The new moon points downward, without a drop of water in it. Now that means that it will be either wet or dry. Perhaps the water has all run out.

Heard Billy Sunday—

Dr. White returned last night from Portland, where he went to consult Billy Sunday, with a view of getting a lecture here; but Sunday gets about forty letters a day making like requests, and there was not a ghost of a show for a date. Dr. White heard the wonderful man. He spoke on "Show Thyself a Man," and he hit his Satanic majesty some hard blows on the block between his two lamps. Sunday is resting up on his Hood River place, and is not intending to do much talking this summer.

Will Travel for the College—

Prof. Lee, of the College, now that he is relieved of the extensive work of the chautauqua, expects to leave soon on a trip over the state in the interest of Albany College. During the entire vacation season he will devote his time to looking after prospective students, some of whom ought to come here.

Returned from Marion Lake—

Ralph and Stewart Lamb and Roy Kinsey returned last night from a trip to Marion Lake. They reported a fine time up in the hills where nature is at her best and there is a grandeur past expression. One of their trips was up Mt. Jefferson, about 8,000 feet. Fishing was good and they got about four hundred in all.

Royal Hawaiians Coming—

On Monday and Tuesday next, the theatre patrons will be accorded a rare treat when the Seven Royal Hawaiians will appear at the Globe theatre. This is a splendid program of vocal and instrumental music. These clever artists have appeared as the headline attraction on the Pantheatre circuit for 3 years and the Globe management is fortunate in securing such a high class attraction.

Tebaults Return Tonight—

Clarence W. Tebault, Jr., and his mother arrived in Astoria today on the steamship Great Northern on their way home from San Francisco, and will reach this city this evening.

WATCH FOR BROADWAY

Mr. Tebault has had charge of the Linn county exhibit at the Panama-Pacific fair, and has done very effective work in boosting this section of the state and in causing tourists to route their trip through the valley in the day time.

Aid Society on Picnic—

The Ladies' Aid Society of the Baptist church left this morning for King's farm on the Corvallis road where they held a picnic. The trip was made in a hayrack and a very pleasant day spent.

Opening Day at Panama-Pacific Exposition Broke All Exposition Attendance Records

ALL attendance records for expositions were broken at the opening of the Panama-Pacific International Exposition in San Francisco on Feb. 20. Vast crowds thronged the grounds when President Wilson pressed the button in Washington, and each day since the attendance has been enormous. The huge buildings and beautiful thoroughfares hummed with activity and have continued to do so. The Exposition has already demonstrated at this early date that it will be a great success in every way.

pleasant day spent.

Enlarging Garage—

Crawford and Ralston, local agents for the Ford automobile and the Dodge cars, are enlarging their garage to better handle the immense business that is being built up in this section. The neat bungalow effect of the front office is being torn away and the building will extend to the side walk line.

Lawn Tennis Tournament—

Arrangements are being made for a local lawn tennis tournament on the Y. M. C. A. courts on Wednesday, July 21. It will probably be somewhat of an informal character, but all local players may enter. For particulars see Secretary McDonald, of the Y. M. C. A., or Prof. Flo.

Oak Creek Service—

Services will be held on Sunday, at the Oak Creek Baptist church, with preaching by Rev. G. H. Young. Time 1:30 p. m.

Returned from Drift Creek—

City Treasurer H. B. Cusick returned last night from Drift Creek, Lincoln county, and Dr. W. R. Bilyeu and A. B. Weatherford, who were with him, will be home tonight. They found some good fishing, getting all they needed while gone and some for their families.

Snap Shotted—

Harry Wilkirk, of the Dawson store, got several good pictures of the liberty bell, and also quick shots of prominent Albany people, who were not posing for pictures, among them a bank cashier.

Band Concert—

There will be a band concert tomorrow night at 7:30 in front of the Globe Theatre. The Albany City band will furnish the music. Come down and hear it.

Says Notice a Mistake—

The Democrat yesterday published an item on a notice filed with the county clerk by John Maxwell, road supervisor of district No. 12, regarding the cutting of Canadian thistles, against Mrs. P. B. Marshall. Mr. Marshall considers it very unjust that his case should be made a matter of public record, because he was in process of cutting the thistles on his place when the notice was served on him. Mr. Marshall is strongly in favor of exterminating this obnoxious weed, and has completely rid his place of all traces of the thistle.
