City News

Swimming is Popular—

Swimming has again become one of
the most popular sports. Of course
the small boy is having his days of
it and spends the greater part of the
time in the water. Every evening
after 4 o'clock the older boys begin
to cross the bridge to the swimming
holes, and the spring boards are kept
busy until after 7. Swimming is great
sport and an art every person should
know.

Siletz Man Here—

C. S. Davis, of Siletz, arrived in the
city last evening and left on the morn-
ing electric for Portland to attend
to business matters. Mr. Davis is a
homesteader in the rich Siletz dis-
trict, and says the people of his sec-
tion are patiently awaiting the com-
ing of the coast railroad to open that
section of the country up for develop-
ment.

Miss Elliott Here—

Miss Dorothy Elliott, of Pittsburg,
Penn., formerly of the music depart-
ment of Albany College, is in the city
visiting friends and renewing ac-
quaintances. While here she is the

She is touring the west and will visit
at the fair at San Francisco, and stop
at Yellowstone Park and other points
of interest before returning.

Weather Report—

Yesterday's temperature ranged be-
tween 98 and 53 degrees. The river
fell to 1.3 feet above low water.

Fire Drill Tonight—

When you hear the clamorous call
of the fire bell tonight at 7 o'clock,
do not get excited and work up an
unnecessary sweat running after the
auto truck. It will only be a practice
run. People who want to see how
the Albany fire fighters get away to
a fire should be on hand opposite the
headquarters on Lyon street at the
appointed hour.

After the Fish—

Rex Case, armed with all the neces-
sary accouterments of a regular
fisherman, departed on the morning
electric for the Santiam river and
will spend the day endeavoring to en-
duce the speckled beauties out of that
beautiful stream.

At Shepherd's Springs—

John A. Shaw left on the morning
electric for Shepherd's Springs, on
the Washington side of the Columbia
where he will spend a few days at
that healthful resort.

Fine Horse Died—

A fine work horse belonging to Geo.
McGuire, of the Knox Butte district
died yesterday in a local livery barn.
The animal was brought in hot and
the probabilities are that it was given
cold water to drink too soon.

Kansas People Here—

Mr. and Mrs. J. C. Stewart, of Gar-
diner, Kansas, stopped over night in

Albany on their way home from the
fair in order to travel the entire
length of the state by daylight. They
are greatly impressed with the Wil-
lamette valley, and expressed a wish
to return for a longer visit.

Baby Has Name—

Grace Ellen Wilson is the name of
the little daughter of Prof. and Mrs.
E. L. Wilson, who arrived Monday
evening at St. Mary's hospital. The
young lady is reported as doing fine.
Mrs. Wilson is also getting along
nicely and will be taken to her home
on Ferry street in a short time.

Gone to Cascadia—

Mr. and Mrs. A. L. Ramsey and
Mr. and Mrs. C. J. Long left this
morning for Cascadia, where they
will spend the next two weeks relax-
ing and gaining new health at Linn
county's famous resort.

Gets Harrisburg Contract—

W. H. Dalrymple was yesterday
awarded the contract for construc-
tion of a \$3000 warehouse for the
Oregon Electric company at Harris-
burg. The structure will be of frame
construction. Work on it will be
commenced next week and it will
be finished about August 15.—Statesman.

Here from St. Louis—

Miss Emily Sankey of St. Louis, ar-
rived last evening on a visit of a few
weeks at the home of her uncle and
aunt, Mr. and Mrs. H. A. Nelson.

Returned to Hood River—

Mrs. Frances Nelson Carroll, of
Hood River, this afternoon left for
home after a visit of several weeks at
the home of her parents, Mr. and Mrs.
H. A. Nelson.

Home from Sherman County—

Fred Ross returned last evening
from Morrow, Sherman county, where
he has been for some time. His bro-
ther, L. W. Ross, jeweler, now resides
there. Mr. Ross reported wheat in-
jured some by hot weather, in places
being badly scorched.

another Lebanon couple today when
Clair G. Smith and Ida Gray were
given the necessary permit.

Suing for Piano—

Ida M. Davenport has commenced
suit against E. R. McKinney to gain
possession of a piano said to be worth
\$350. Plaintiff asks the return of the
piano or \$350 in cash, and \$150 dam-
ages, alleged to be suffered as result
of losing a sale of said piano on ac-
count of its being indelendant's pos-
session.

Suit to Quiet Title—

A complaint was filed today by Jane
Shaw vs. Mary O. Hawton, et al, to
cause these parties to appear in court
and show claims to title in 75 acres of
land in Linn county. Plaintiff claims
to have had possession of the prop-
erty since 1879, and is the sole and right-
ful owner. The motion and affidavit
were also filed.

Why Not?—

A Democrat reader asks: Why not
remove the old Central school build-
ing at once and take steps to beautify
the ground recently purchased by the
city.

Harrisburg's R. R. Bridges—

It is said that the government has
notified both the Oregon Electric and
S. P. railways to prepare their draw-
bridges across the Willamette river
near Harrisburg, for operation this
winter, indicating that boats may run
as far as Eugene. Both bridges are
new, and both companies were com-
pelled to place draws on them so that
steamboats might pass beneath, but
no boats have ever navigated the river
above Harrisburg since either was
built, although in years past they have
frequently come to Eugene with loads
of freight.—Eugene Register

Saved from Rope Death—
