MISFITS

The kaiser proposes to be a second Napoleon and enter Warsaw at the head of an army, and he will do it.

While other countries have been shattered Germany remains intact.

Why hurry, 30 miles an hour will get you there.

The succulent watermelon is in the market at a reasonable price, and is eatable regardless of color or previous condition of servitude.

Sprinklers are kept buzzing like a bee. No chance to rust now.

Some one said of the Trojan Women, which has just been given at Portland and Eugene, that it was one continual round of woe.

We hope Leo Frank lives, that he gets well, and that he is also pardoned. An innocent man should not be punished for the crimes of others.

They will come from the foothills to hear W. J. B.

It is never two days alike down in Mex.

In Europe it is one continuous monotony.
