IS PUTNAM A DEMOCRAT?

The Independent of Woodburn charges that Geo. P. Putnam, private secretary of Gov. Withycombe, is a democrat, and to prove it publishes extracts from Bend Bulletin, Oct. 30, 1912, when Putnam was editor of the paper.

"Light on Ancient Panic Argument Demolished. Republicans Claim That Democrats Make Hard Times—1893 was under High Tariff."

"Every Panic Since the Civil War Has Been a Republican Panic—Lessons from 1907 Upheaval."

"The enemies of Democracy are making their anticipated and regularly recurring howl. They are protesting hard times if Woodrow Wilson is elected president on a Democratic tariff revision platform."

"The republicans are claiming all credit for present prosperity. A glance backward will be worth while at this time. Every panic since the Civil War originated and developed under Republican rule."

"The Republican textbook of 1904 devoted much space to the many business disasters occurring from July, 1873, and November, 1894, intending the public to attribute them to the inauguration of President Cleveland in March, 1893, but the Republicans fail to refer to the fact that the Republican tariff law was in force during 12 of the 16 months of the greatest business disasters."

"In 1890 the McKinley high tariff bill was passed and there were 10,673 failures followed by 12,394 in 1891. The tariff raised to nearly 50 per cent, but wages stood still or declined while the cost of necessities advanced."

"Why not elect Woodrow Wilson?" "Frauds of Present Regime." "Nuggets from Woodrow Wilson's Speeches."

"The Republican party doesn't propose to change any of the essential conditions which mark our present difficulties."

"Proof of Democratic Platform Soundness Cited in Reports of Wage Investigator."

"Campaign Wind Angers Veteran, 'Comrade' effort to distort Democratic position on pensions refuted. Circular to G. A. R. Post sought 'mean and harsh' expression by Wilson supporter, but finds fact the reverse."

"The most serious labor troubles in the history of the United States have occurred under Republican high tariff."

"The Republican panic of 1907 furnished another forceful refutation of the Republican claim that Democratic administration and hard times, lower tariffs and panics have been co-existing."

MISFITS

Bill and Joe had better be sensible and do the right thing.

Kipling is telling about the trenches in language that will not be forgotten. His former words are timely.

For calling our navies melt away. On dune and headland sinks the fire, I, o, all our pomp of yesterday Is one with Nineveh and Tyre. Judge of nations spare us yet!—Least we forget, least we forget.

A Portland Dr. advises hesitation before operation for appendicitis. Good hesitation step.

The recall system is being given a colossal test these days.

Here's to the memory of A. G. Spalding, the famous sporting goods man, who recently died. Misfits saw him pitch baseball the old way, the real pitch, no throwing those days, when Jim White caught without any gloves or mask and Johnny Clapp out in the left field never thought of a mit. Baseball has changed some since then.

Poindexter has whacked back at Taft, referring to his reputation by his party as more overwhelming than any candidate who has sought the votes of his party.

Support Albany made things, including newspapers and what goes with them, cleansing soap.

With a united effort there can be a transformation in the advancement of Or. made things.

If it comes to the test we will all be together, regardless of nativity.

Not a Candidate—Frank Wood, street superintendent, whose name was recently mentioned in connection with the office of chief of police, as a candidate, informs the Democrat that he is not a candidate, and his name will not be used in the campaign at all.

H. P. FILER Instructor in Voice and Harmony Term begins Sept. 17th. Prices reasonable. Studio announced later.
