### HALSEY HAS BURGLARS.

#### Another Band of Robbers Does the Town and Gets the Koozts Company Store.

Halsey Enterprise: About 2 o'clock Tuesday morning burglars broke into the general merchandise store of the M. V. Koozts company, entrance having been gained by forcing a window in the south side of the building. The robbers got away with some men's clothing, underwear, silverware, etc. After securing their loot the burglars left town on a Southern Pacific handcar which they obtained by breaking into the building in which it is kept and ran it as far as Junction City where they ditched it.

It is not known how many men were implicated in the burglary or the exact amount of goods taken. The sheriff's office was notified and an effort made to apprehend the robbers.

Blumberg has been clerking for several months.

#### Willamette and U. O.—

Willamette and U. O. play tomorrow at Salem. #### Buzzers Have Banquet—

The highest football score ever reported was that of the game between Estacada high school and the Milwaukee school last week, when the former beat the latter 162 to 0. Most have been a regular sprinting match. Earlier in the season Estacada beat Canby 102 to 0.

#### The Pickford—

Mary Pickford is such a popular movie actress that a Portland show house has named the place the Pickford. That's going some, but up to date no men's collars or cigars have

been named after her.

#### Eggs Up—

Eggs have taken another hurdle, going up three pegs in a day, now being 38 cents.

#### Salesday Tomorrow—

The ninth salesday will occur tomorrow, when there will be another good list of things on sale, with Ben Sadtall, the best auctioneer in the valley, crying his throat dry to make sales for the farmers of the county. These salesday events have proven a splendid thing for the county and could be made bigger yet if Albany's business men would sort out a little louder.

#### Blackwell's Island.

The price of Blackwell's island when it was purchased by New York city was \$50,000, paid to Robert Blackwell, the owner, who had married the daughter of the English captain Manning, who in 1675 surrendered New York city to the Dutch. When the English resumed control Manning retired to Blackwell's island, then known as Hog island, and after his death it became the property of his daughter and son-in-law. It was sold in 1838 to New York city and since has been in use for various correctional and charitable institutions.

#### Ventilation.

Changing of the air in a room once or twice a day is not sufficient. Ventilating a room while it is not occupied is not sufficient either. Two or three occupants of a closed room will vitiate the air in it in a few minutes. Ventilation should be most active while a room is occupied by people.

#### An Important Consideration.

"Poverty," said Mr. Justin Stax, "is no disgrace."  
"No," replied Mr. Grovener. "Poverty is like wealth in one way. The amount of respect attached to it depends entirely on how you came by it."  
—Washington Star.

#### Exceptions.

"A soft answer turns away wrath."  
"Don't you believe it. My wife asked me yesterday how I liked her biscuits, and I said they were mush."  
—Baltimore American.

#### Follow One Another.

Things always bring with them their own philosophy—that is, produce. No man acquires property without acquiring with it also a little arithmetic.—Emerson.

## ROUND-UP AND WALLINGFORD SHOWN AT GLOBE TONIGHT

The Pendleton Round-Up in all its wild and dashing splendor will be shown at the Globe theatre this evening and Albany people who do not get to see the original at the time it is held can see the same thing for a dime tonight. This is acknowledged the greatest wild west show in the world. In addition will be shown the first number of the popular Wallingford series, with M. J. Figman, Burr McIntosh and L. J. Robertson in the main roles.

The beginning of the Round-Up is as follows:

In 1908 the Baseball League got into straightened circumstances, and to help it get back onto its feet, a number of the cowboys and cowgirls gave an exhibition of horsemanship and bronco-busting and bull-ozging. The next year following it met with even greater success, then it dawned on the business men of Pendleton, that they had the greatest wild west show on earth, consequently they formed a corporation and stock was sold to every man, woman and child in Pendleton. Today Pendleton stands alone as the center of attraction.

#### Lebanon's Expensive Budget.

Criticism: On another page of this issue will be found the tentative budget of the council for the expenses of the city during the year 1916. It calls for an expenditure of \$19,461.50, through the different channels of municipal government. The requirements of the fire department are placed at \$842.50 instead of \$1800 as given in our report of the council proceedings last week. This budget will be published for two weeks, and on Monday evening, November 22, a public meeting will be held at the council chamber where any and all voters and taxpayers may take part in a discussion of the budget and its provisions.

## For City Marshal

To the Citizens of Albany:

I am a candidate for the office of City Marshal at the forthcoming city election. If elected I hereby promise to enforce every ordinance of the City of Albany, without fear or favor whomever it may affect. I especially promise that I will enforce the liquor laws of this city, and that if elected I will give special attention to the city traffic laws, and endeavor to prevent the all too common reckless speeding of motor vehicles.

I believe one of the chief duties of the police officers in this city should be to keep young people off the streets at night, and that in that way, more than any other, the peace and good-citizenship of the city can be conserved.

I have been a peace officer in Albany for thirty (30) years and I can say with becoming pride that I believe my official conduct will be such that I believe I can so perform my duties satisfactorily. If elected I shall not request any assistance in the day work, leaving that matter entirely to the discretion of the City Council.

I need the office and feel that my long service to the citizens of Albany entitles me to your vote. If you see fit to support me at the coming election I shall appreciate it.

Very respectfully,

JOHN CATLIN.
