Special Address to Fraternal Orders—

Tonight at the Christian church Evangelist Crim will deliver an address of special importance to the fraternal orders of the city. The subject will be "Paying Dues." This address has been pronounced by men both in and out of the fraternal orders as one of Crim's best. In his own way the evangelist analyzes both the fundamental principles and the dues of lodges and the church. "De-ty" Crim desires it to be known that he will not speak from hearsay, but from his own personal experience and knowledge. Information and not criticism is his purpose.

The special music tonight will be a solo by Miss Floy Filer, "His Eye is on the Sparrow." Song service begins at 7:30.

CITY NEWS.

Empress Bill Pleases—

Before a fair sized audience at the Globe Theatre last night the Sullivan and Conditine vaudeville bill of the Empress circuit presented the best bill yet given here. The program as a whole was well balanced, and some particularly good numbers bear special mention. Some clever acrobatic stunts were performed by Mirpah Sellini and C. The Cleora Miller Trio, consisting of Mr. and Mrs. Miller and young daughter, were splendid on wind instruments, and Miss Miller sang a very pretty solo. The Three American girls were fine in popular songs and the Hill Society Circus gave a good trained animal performance. The other two numbers of the bill were also good. The show was good and deserved a packed house.

Evident at Revival—

A striking incident happened at the close of the sermon of Rev. Crim at the Christian church one night, when a woman stepped to the front and made a request to tell her story. She said she had a son two or three years old, crippled for life, partially paralyzed, because the physician who was present at his birth was intoxicated and gave the case as a warning against the drink habit, making a plea for a better life.

REGISTER MOTOR VEHICLES

Secretary of State Reports That Registration of Autos and Motorcycles Not Satisfactory.

Editor Democrat: Indications in the motor vehicle registration department are that unless automobile and motorcycle owners and dealers and chauffeurs respond very soon to notices sent them early this month in the shape of blank applications there will be a congestion of work in the department which will make it impossible to supply many of the licenses, tags and badges by the first of the

year when the old licenses become void. The work of registration for 1916 was begun earlier than usual this year in order to allow ample time to secure number plates by the first of the year. Blank applications were sent to all the 23,600 auto and truck owners, 175 dealers, 4,100 chauffeurs and 3,200 owners of motorcycles nearly a month ago and although the time available for registration before the first of the coming year is nearly half gone only 2,700 applications have as yet been received. This leaves around 31,000 to be issued during the

one month remaining. While this office will do its utmost to take care of the business, these figures indicate the great number of licenses to be issued within a very limited time, and those interested may save themselves inconvenience by sending in their applications at the earliest possible time, which they are asked to do.
BEN W. OLCOTT,
Secretary of State.

ed on Cleveland Moffett's celebrated stage drama, "The Battle," attraction at the Rolfe Theatre last night and tonight. The drama is said to represent a heavy outlay of money features an all star cast which includes such well known Broadway thespians as Frank Sheridan, Paul McAllister and Fania Marinoff, and conspicuous for its many elaborate and magnificent "sets." It is a story of the gold lust and the Ghetto, unusually well told, full of dramatic situations and possessed of those great essentials which made the stage version one of the most successful plays of its day.

Why not make one gift this Christmas, that the whole family can enjoy the whole year.
