

HAMILTON'S SEVENTEENTH ANNIVERSARY SALE

When our doors open on Saturday, January eighth, another year will be started as it will be THIS STORE'S SEVENTEENTH BIRTHDAY. We are proud of our commercial age. January the eighth, 1899, The Hamilton Store was opened in Albany. A small room was occupied, and business started on a small scale. People found from the very beginning that honesty was the foundation upon which the business was built. That foundation has strengthened rather than crumbled with age. Today we are comfortably located in a splendid, modern building, with many conveniences for our customers. Good light, ventilation, satisfactory heat and elevator service makes shopping a real pleasure here. The confidence of the buying public is responsible for our growth. Methods, policy and merchandise have been found to be all that can be expected. For the future we offer you the same service, quality of goods and honest policy that you have received in the past.

There will be hundreds of extra-special values. Necessities of all kinds will be underpriced in BARGAINS THROUGHOUT THE ENTIRE STORE. Instead of having our usual January Clearance we have decided to enlarge it and make one great sale in commemoration of our seventeenth birthday anniversary. The reductions are genuine. Not only a few items are included, but hundreds of serviceable articles of all kinds will be on sale. Some contact and other goods will be especially low, but the reductions on the specials will be especially good. You will be greatly surprised with the low prices. Our wide aisles and large number of salespeople will assure freedom from crowding and unnecessary loss of time. We will try to give you our usual good service. Make use of our Rest Room. It is for your convenience.

Study these prices. They will stand comparison with any. There are no exaggerations or misrepresentations. We guarantee that everything advertised is a splendid value at a money saving price. What we advertise is absolutely true. Mail and telephone orders will receive prompt and careful attention. No orders will be filled until the opening day, January 8th. If you cannot command a list of what you want, and enclose the money in letter either currency, stamps, money orders or checks.
