Three tests are made during each night, the object being to ascertain the practical use of the telephone over so great a distance. RETURN OF STOCK COMPANY.

Eastern Players at Globe Theatre for Two Nights and Friday Saturday.

Friday night the Eastern Play company will return to the Globe theatre for a three days' engagement. The opening play, "Not Guilty" is without doubt one of the greatest successes in the theatrical world of the past few years.

The action of the play makes a strong and thrilling plea for better conditions for the shop girls in the large cities. It shows the conditions in which the girls are forced to live and proves that, although there is only one law on the statute books, there is in reality two, one for the rich and one for the poor.

While the play has a strong dramatic interest that never fails to hold the undivided attention of the audience throughout, it is not without its comedy moments.

EIGHT GIRLS' MEAN BIZ.

Have Organized a Leap Year Party, and Each One Agrees to Propose to Her Choice.

Cleveland, Jan. 13.—A 1916 Leap Year club has been formed by eight pretty girls here, headed by Miss Blanche Taylor of Lakewood, a fashionable suburb. The avowed purpose of the club is for each member to propose to the man of her choice during the year, and not to accept any similar proposal when offered by a suitor. "I do not see anything unusual about a girl choosing her husband," Miss Taylor said. Miss Helen Malley, another member, said: "A woman can't propose just so gracefully and sweetly as she could accept. I think she ought to if she really loves a man."

York's leading actresses. Geo. Ade Interesting—Geo. Ade comedies and stories are always good, and "Father and the Boys," at the Hub last night was no exception. Played by Digby Bell in the title role it furnishes amusement enough for the most dyspeptic. The capers of "father" is quite a revelation to the boys, who are lead into the old gentleman's way of thinking. The play will be repeated tonight.

Administrator Resigned—T. J. Gibbons, who was appointed to act as administrator of the estate of the late Daniel Donohue, resigned before qualifying and Cornelius Donohue was appointed in his place.

Fagan has been invited to speak at a banquet at the Christian church, Corvallis, next Saturday evening, when a special effort will be made to raise money for the church during the coming year. It is expected five hundred will be present, and arrangements are being made for that number.

Valeska Suratt, Star of "The Soul of Broadway."

Valeska Suratt, the most discussed woman of the stage or screen, who will be seen at the Rolfe tomorrow, is, as is known to theatergoers the country over, the fashion-plate of the dramatic profession. Her gowns have made millions gasp by their beauty and daring as well as by their dazzling lavishness of design. In making her screen debut in "The Soul of Broadway," the latest of the great William Fox photodrames, Miss Suratt has outdone all her previous efforts in gowns and millinery, fashioned by famous modistes.

In all she wears 150 gowns, some daintily and uniquely simple; others that are calculated to make the feminine portion of her spectators break into astonished exclamations when they see them. It is estimated that in the course of "The Soul of Broadway," Miss Suratt changes her garments with every forty feet of film. Many of them are designed to match the "sets" of "The Soul of Broadway," which latter in themselves are quite unlike anything yet seen in a motion picture, and were especially designed for William Fox by a celebrated artist of the ultra-modern school.
