Announcement From the Proprietor

I have just opened in Albany what I hope to make one of the most complete and neatest department stores in the Northwest. I have spared neither time nor money in trying to open up my new store in the most satisfactory manner to myself and the buying public. I expect to handle the very best lines in Dry Goods, Ladies' and Gent's Furnishings, Shoes, Millinery, etc. My policy is to keep my stock clean and up to date, no out of season designs and patterns being carried over. In order to do this I expect to make closer prices. I buy direct in the East, and always aim to carry the very best lines, and sell them at the lowest prices prices consistent with good business policies. In this announcement we wish to make some apologies, some of the departments are as yet incomplete, but it will be only a question of a day or two in which these goods will be here, therefore I request you all to kindly overlook this for the present. I invite you all to call and examine my stock, see my store, compare my prices, and form your own conclusions as to the advisability of extending me a share of your patronage. I have moved to Albany to make this my home, and any time goods bought at this store proves unsatisfactory, I will be perfectly willing to make them good. Hoping to have the pleasure of meeting you in my new store, I am,
Respectfully,
H. R. WORTH, Prop.
