THE BATTLE CRY OF PEACE

"A Call to Arms Against War"

The greatest picture of the age, made under the supervision of the author, J. Stewart Blackton, President of the Vitagraph Co., with the cooperation of the United States army and navy. In the cast are such stars as Charles Richman, Norma Talmage, Joseph Kilgour, Thais Lawton, L. Rogers Lytton, Mary Maurice, and others--Over 25,000 Guardsmen--5,000 Horses--10,000 other people in the cast--17 Air Ships--Scores of Cruisers, Dreadnaughts, Submarines, Artillery, etc.

See the battle in mid-air.

The most beautiful sky line in the world in flames.

The metropolis of the western hemisphere devastated.

The Fall of New York.

The enemy approaching.

The defeat of the meagre American forces.

The landing of the invaders.

Our forts destroyed.

Our fleets beaten in battle.

BUT,

With it all is a heart interest drama so vivid, so real, so touching that it makes a lump rise in your throat and makes your heart pulsate faster.

This is

The Battle Cry of Peace

A TREMENDOUS DRAMATIC OFFERING IN 9 REELS.

GREATER THAN "THE BIRTH OF A NATION"
COST FORTUNES TO PRODUCE

NOT MERELY A PLEA FOR PREPAREDNESS,
BUT A THRILLING, INTERESTING STORY
WITH LOVE, INTRIGUE, ACTION AND
THRILLS GALORE. WORTH A DOZEN ORDINARY SHOWS.

Read These Statements by Prominent Albany Citizens:

CAPT. R. R. KNOX,
5th Co. Coast Artillery Corps.

"I saw 'The Battle Cry of Peace' in San Francisco in December and again a little later in Portland and will see it again Wednesday. It is the greatest picture I have ever seen and I wish that everybody would take the trouble to see it. It is well worth while. It is great in every way from a scenic, photographic, and preparedness standpoint as well as from the view point of an interesting story. It will open the eyes of people to the utter lack of preparedness in this country and serve to show what would happen to America were an invading host to land. I want every member of my company to see this picture and am trying to arrange for us all to go in a body."

MAJOR C. B. WINN SAYS:

The Battle Cry of Peace should be seen by every resident of Albany and vicinity.

Every American who has red blood in his veins will have a more exalted idea of his duty to his country and his flag after witnessing this wonderful production.

R. C. CHURCHILL

Spanish War Veteran. Member 2nd Oregon Volunteers.
"Yes, I saw 'The Battle Cry of Peace,' and you may use my name in any way you see fit if it will induce any one to see the play. I think every man, woman and child in the country should see this great play, for it is bound to make better citizens in every respect. It is far better than 'The Birth of a Nation.' The production is fine from every standpoint. The story is good all the way through, the lesson in defense is of untold value, the scenery is wonderful and beautiful and from an educational point of view it is unexcelled. You can see thousands of soldiers in action. You can see the entire Atlantic fleet in battle, airships in action and submarines at work. By all means urge everyone to see this play."
