SUITS and COATS

STYLES ARE UNUSUALLY ATTRACTIVE—THEY'RE SMART TO A VERY MARKED DEGREE.

COATS COMBINING STYLES WITH USEFULNESS

Yours is here. It may be in any color you like. It may be almost any cut you like. It will be correct down to the dot of an "i" and the cross of a "t" for we are sticklers for unquestionable style propriety in every coat we offer.

SILK SUITS

Were never more popular—our assortment is very large, and prices are decidedly moderate. The new taffetas, poplin and ribbed silks made up into the most fetching of new spring suits. Many with the undecidable touch that proclaims French origin.

Even though you may have no intention to purchase now, come for a style visit. It will turn out to be a style-education, showing you how low priced a garment may be and yet how "thoroughbred" in its chic lines.
