HAVE DONE SOMETHING.

For a good many years the United States has been spending several million dollars a year on preparedness. Some of it may have been wasted; but it has been spent just the same.

BIG REWARD SUGGESTED.

Someone suggests that if a reward of \$100,000 had been offered for Villa, dead or alive, it would have settled the matter a good deal quicker than by sending an army after him over an unhealthy country, fraught with danger.

DEEPEST LOYALTY.

The mass of American people are loyal to our government to the limit, including our naturalized citizens. They always have and always will differ about methods, but when it comes to a question of patriotism it is unlimited, and in no country in the world is it more intense.

TAKES ALL OF THEM.

Recently in agricultural districts in Austria, one as big as one of our counties, thickly populated, it was found that there was not a single man left in the district. All had gone to war, old and young, offering up their lives, if need be, for their country, right or wrong.

MAKING MISTAKES.

Recently an Astoria paper stated that a prominent young man had secured a decree of divorce. It caused astonishment and concern. Instead of the young man securing a divorce for himself, a court reporter he had been made a referee in a divorce case in connection with a decree of divorce.

MISFITS

We give it up, whether it is pronounced Ver-dun or Ver-doon.

It won't make much difference if the Germans get much nearer.

We also give up: Why gasoline is so high.

One man says it is because the U. S. is building a railroad in Alaska.

The real reason is simply "because."

You ought to see us lick the Americans in the front office of the Dem. every evening just before the paper is out.

The Democrat has received a circular headed in great big black letters: "Is this the time to start a government armor plant?" Well, not from Millionaire Schwab's viewpoint. It would be awful to close up his big factory, and make Bethlehem a week unemployed.

Uncle Sam has been robbed by the steel trusts until it is about time for him to do a little work himself.

An exchange says that Villa will be captured only by luck or treachery. But he is captured by pluck.

It is humorous to read the closeness of his capture as narrated by the yellows.

Speaking of danger, Mrs. Parkhurst, the celebrated suffragette, is to be in Oregon in May.

Sometimes there is small recompense here for the big state taxes we pay; but it is about as scarce as hen's teeth.

An Albany man getting a U. O. contract is hallalujaglorious news.

When a vessel of one of those common little countries in Europe is submerged nothing is heard from it from the countries affected. If one of them was an American there would be a howl from the jingoists, and perhaps the rest of us, for fight at once.

Why Worry.

Chico Enterprise: Naomi sat on the stone coping, her pink topped hat adding a new touch of color to the gentle painting of the evening. Ruth, her sister, in a brilliant blue waist, sat under a tree nearby. Several women members of the church appeared later. They laughed and chatted and did not appear worried.

MANY IN ALBANY TRY SIMPLE MIXTURE

Many Albany people are surprised at the QUICK action of simple buckthorn bark, glycerine, etc., as mixed in Adler-ika. This simple remedy acts on BOTH upper and lower bowels, removing such surprising foul matter that ONE SPOONFUL relieves almost ANY CASE constipation, sour stomach or gas. A few doses often relieve or prevent appendicitis. A short treatment helps chronic stomach trouble. The INSTANT, easy action of Adler-ika is astonishing. The Woodworth Drug Co.
