EASTER MILLINERY

We are making extensive prepara-
 tions for Easter. Our work room is
 running night and day to keep new
 models constantly on display, and sup-
 ply the demand for our distinctive
 hats, the subtle charm of wonderful
 color blending and the serviceability
 of the materials used, has created a
 demand almost beyond supply. Our
 hats are designed with a touch of ex-
 clusive refinement, that makes them
 adaptable for all occasions. Remem-
 ber we show more hats than any two
 stores in Albany, and no two alike.

It is thought wise to suggest that
 your requirements be anticipated as
 early as possible to avoid the Easter
 rush. We have anticipated your needs in price as well as style, as
 we do not mark our hats up before Easter, for a cut later. We have
 a complete line of REAL HUMAN HAIR SWITCHES in the new
 flat ring style. **DON'T FORGET THE PLACE**
