#### To Work at Mill City—

#### Automobile Stolen—

A bold automobile theft occurred at Corvallis last evening when a strange man entered the Rickard garage and drove out a Buick car and made his get-away. The act occurred at a time when there was no one in the garage for a few minutes. A jitney driver of this city passed a car of the description of the one stolen about 100 yards from the north end of the steel bridge last night at 8:45 o'clock. At that time there were two people in the car, one presumably a woman. Chief Catlin was notified of the theft some time after these people were seen, and immediately telephoned in all directions to have the roads watched, but to date nothing has been heard from the stolen car.

#### Weather Report—

Yesterday's temperature ranged between 64 and 40 degrees. The rainfall was .16 inches and the river fell to 52 feet.

#### Mrs. Worrell's Musicals—

The musicals at the United Presbyterian church Tuesday night by Mrs. Worrell's piano class is to begin promptly at 7:30 instead of 8 o'clock. No admission is charged and everybody is welcome.

#### Card of Thanks—

The Benedictine Sisters wish to ex-

press their deepest gratitude to the kind, devoted ladies, who have worked for weeks so zealously and untiringly to make their "Bazaar" most successful. Also all others who so liberally donated and patronized it in any way, deserve our sincerest thanks.

#### College Debaters—

Miles McKey and Virgil Parker, prominent Albany College students, have been selected to represent the college in the intercollegiate debates this year. Besides being good students both are prominent as football men.
