QUESTION BOX INSTALLED AT THE COMMERCIAL CLUB

A question box has been installed at the Albany Commercial Club, in which the people of Albany and Linn county are asked to address matters of civic and community interest. Matters thus addressed will be impartially treated in the open forum with a view to mutual solution. The legislative committee will have charge of the box, open the questions and lead in the discussion.

In this manner it is hoped that any objections to the club will be stated, any defect noted will be pointed out, any matter about the city which needs remedy pointed out and discussions lead to a better understanding and improvement about the city.

"The growth and development of a community is measured by the manner in which the country and town cooperate and pull together for mutual benefit. A live town is a boon to the country adjacent."
